FIGHTING IT OUT--Brad Hollingsworth of Canyon takes one on the chin from Claude Brown, Pampa, in a boxing meet between the two towns. The fights were held Saturday night and the small fry bouts were some of the best on the card. (Staff Photo by Jim Martin.)

Area Harvests Big Milo Crop

A three million dollar grain sorghum crop has just been harvested in Randall County.

In addition, another million dollars has been received by grain sorghum growers for participating in the grain sorghum reduction program.

This crop was harvested on about 60,000 acres. The total allowable acres for feed grains in Randall County this year was just under 100,000 acres.

Reports from elevator operators show that about an average crop was harvested from the irrigated acres. Dry land in most areas yielded a little above average. Over the past several years a county average of 55 bushels per acre has been made. The growers grossed 90 cents per bushel at loan rates.

The crop this year was harvested in ideal weather. High moisture content, though troublesome, was not serious. Quite often elevator operators run grain dryers for several months after harvest to reduce the moisture in the grain to a safe storage level. Very little grain was lost due to lodging of the stalk before harvest.

Cattle are now making some use of the stalks and fodder along with the wheat for additional gains.

The grain sorghum crop was bothered by weeds in the early planted fields and by high August temperatures when the heads were setting grain. Some

growers report a light test weight and a poor seed set.

Most of the varieties planted were hybrids. No definite pattern was found among the many hybrids used due to variations between the fields.

Grain sorghum is a prime grain feed for cattle, swine, and poultry. The crop in Randall County will be used locally and elsewhere for the production of meat for the tables of America.

Grain Meeting Slated Tonight

Wheat stabilization and feed grain programs for 1963 will be discussed at 7:30 o'clock tonight (Thursday) at a county-wide meeting in Canyon High School Auditorium.

This information came this week in a news letter from Paul Read, manager of the Randall County ASCS office here.

The letter said the 1963 wheat stabilization program is a voluntary one in which producers may participate if they desire. Deadline for registering to participate is Dec. 14.

Read said there are many producers who have not requested final wheat and / or feed grain program payments for 1962 participation. He said the payments are ready as soon as final payment applications are signed by the producer.

Annual payments for conservation reserve contracts are being issued. Producers must sign application for payment at the ASCS office before payment can be made.

Upland cotton referendum will be held Dec. 11. Polls will open at 8 o'clock in the morning and close at 6 o'clock in the evening at Ralph Switch, Umbarger and the ASCS office here.

Cotton allotments for 1963 will be mailed prior to the referendum. Those eligible to vote include farmers who enroll in the referendum.

Chamber Director Balloting

Ballots have been mailed to Canyon Chamber of Commerce members for election of four new board members to replace directors who are retiring.

Ten candidates are listed on the ballot. Retiring directors include Joe Gidden, Jerry LaGrone, Dr. W. J. Wooten and Bruce Blackaby.

Candidates for places on the board include R. E. Barnard, William B. Davis, H. R. Fulton, Jr., Gerald Warwick, Gene Morrison, Dr. C. C. Callarman, Joe Abbott, W. A. "Bill" Wilson, B. B. Warren, and Wayne Wirt.

Post Sets Bulb Sale

Explorer Post 66 will conduct its annual light bulb sale in Canyon this Saturday.

Approximately 20 boys from the Post will participate in the house-to-house campaign. They will sell sacks containing eight light bulbs; three 60-watt bulbs, four 100-watt bulbs, and one 150-watt bulb for \$2 a sack. Store price for the bulbs would be \$2.08.

This sale is an annual fund-raising project of the Post, and profits are used to help operate the Post during the year.

Anyone wishing to purchase light bulbs, and is not contacted Saturday, may telephone Joe Gidden at the Southwestern Public Service Office during office hours at OLive 5-2546.

Yule Season Drawing Set

The annual Merchant Appreciation drawing will be held here again this year.

Prizes to be given will include \$100 first prize and prizes of \$50, \$25, \$15 and \$10 each week for three weeks. Prizes will be awarded Dec. 8, Dec. 15 and Dec. 22.

Prizes will be in the form of certificates which may be spent with any of the participating firms. Thirty firms are participating this year.

Three Hurt In Mishaps

Three people were injured in traffic accidents in Canyon Thanksgiving Day.

Jerry Gordon Detwiler, 32, and his wife Mary Beth, 27, suffered severe head lacerations Thursday morning when they were thrown into the windshield of their compact car as it plowed through a stop sign, glanced off the highway guard rail and came to a halt against a utility pole. The Detwilers two children, who were also in the car at the time of the collision, were uninjured.

Investigating highway patrolman Gilbert Ray, said the accident was apparently caused when the Detwiler car skidded on road gravel as Detwiler attempted to avoid another car entering the highway from the intersection. Ray said the Detwiler car did not have safety belts.

The Detwilers were taken to Nebblett hospital where they were treated for their injuries and released.

Gayland Gatten, 14, son of R. E. Gatten of 800 6th Street, Canyon, received a broken leg when the motor scooter on which he was riding skidded and overturned, dumping the boy on the pavement. The accident occurred Thursday morning at the intersection of 11th Street and 4th Avenue in Canyon.

Gatten was taken by ambulance to Nebblett Hospital and then transferred to North West Texas Hospital in Amarillo.

Calvin Costley, uncle to the Gatten boy, accompanied him to the Amarillo hospital. Costley said the boy would be in a traction cast until the swelling went down enough to allow doctors to set the leg. Costley said the boy should be released about Friday.

Gatten was taken by ambulance to Nebblett Hospital and then transferred to North West Texas Hospital in Amarillo.

City...

(Continued From Page 1)
the event of an accident or other emergency that required special rescue or first aid techniques as well as possible transit to a hospital.
Jerry LaGrone, who appeared before the meeting, said that he was relieved to see the Emergency Unit formed as it took some of the load off his shoulders.
He pointed out to the commissioners that his funeral home insurance covered the use of the Emergency Unit vehicle when it was used in his name or was called into service for the funeral home in the event of an emergency.
He said that several times in the past, his ambulances

have been tied up with other calls and that the Emergency Unit would help relieve the situation.
Mayor Lowes said that he thought the Emergency Unit program was well accepted.
In other action, manager York asked the commissioners for authorization to have the city pay half the cost of an experimental physical fitness program for the city policemen in the downtown gym set up by Elmer Clement.
York said the program would cost the city \$2.50 per man per month. He added that it might be worth it to the city as well as the policemen if the program proved beneficial. The commissioners agreed to try the program for two months on an experimental basis.

COW POKES

By Ace Reid

"We eat lamb to help the sheep people, steak to help the cow folks, but jist as soon as I go tryin' to help the pore ole corn raiser you throw me in jail."

Two Fined In Thefts

Two Amarillo youths were fined on misdemeanor theft charges in county court during the past week.
Fined were Costello Jimmy Valenzuela, 17 years old, and Billy Gene McCoun, also 17, both of Amarillo. Both were released after paying fines of \$50 and court cost.

Cornerstone

Hereford, pursuivant; Amos Ratjen of Happy, tiler; and Troy Stambaugh of Hereford, Bible bearer.
J.C. Newton, worshipful master of the Canyon lodge, was host for the occasion.
Following the ceremonies, Canyon City Lodge was host to the school board, the grand lodge and Masons from all over the Panhandle at a dinner at Trail Motor Hotel.

"But Aunt Polly," seems to be what Tom Sawyer is saying after Aunt Polly caught Tom getting into the jam. Huck Finn seems to be taking Tom's plight in with obvious good cheer. Aunt Polly is played by Mary Mitchell. Tom Sawyer by Ricky Wilson and Huck Finn by Frank Williams.

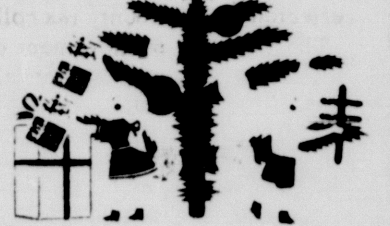

Firemen Report Several Fires

Joe Rice, captain of the Canyon City Fire Department, said Wednesday that fires have been keeping him busy this week.
He said there was a fire in the grain dryer last Friday at Farmer's Elevator Inc.
The damage was limited to 1000 bushels of milo grain in the dryer at the time, he said. Rice added that there was no danger to the elevator itself or to the surrounding area.
A car fire 8 miles west of Canyon on the Hereford Highway resulted in \$300 damage to a 1959 station wagon owned by Lewis Womack of Amarillo. The fire started in the left rear wheel from an overheated wheel bearing.
Rice said this was the third automotive fire this winter due to overheated rear wheels. He said the cold weather caused the grease to stiffen thus losing its ability to lubricate, resulting in an overheated bearing and fire in the wheel, he said.
In other action, the city fire department put out a small grass fire 3 1/2 miles west of Canyon on the Bob Lindsey

place. Rice said the fire was caused by wind blown debris from a burning trash barrel.

Dr. Emilio Caballero, head of the art department at West Texas State College, shows a leather shadow figure used in 18th Century Siamese plays, which was recently presented to his department. The figure, along with some 17th and 18th Century Japanese woodblocks, in the background, were presented to the college by Stanley Marcus of Dallas.

News Notes From The

RANDALL COUNTY FARM BUREAU

Thursday night, December 6th, is the regular meeting of the Board of Directors of Randall County Farm Bureau. The delegates who attended the State Convention at San Antonio will give reports on the Convention. All members of Randall County Farm Bureau are invited to attend this meeting.

If you are interested in getting Randall County declared a Type II Brucellosis Control Area please sign and return the letter you received from Randall County Farm Bureau. This letter was mailed on November 15th to cattle owners who had not signed a petition. To date only 56% of the cattle owners in this county have signed the petition. Before the County can request the State of Texas to bring this program into Randall County, 75% of the cattle owners who have rendered cattle for taxes must sign this petition. As of November 1, 1962, all counties bordering Randall, with the exception of

Potter, are certified or being tested for this program.

Of 105 West Texas and Panhandle Counties 85 are certified or being tested, and only 20 have not begun the program.

It is not the purpose of this column to discuss the merits of the program, but to advise you what other areas are doing or have done.

This is a voluntary program, and if Randall County wants the program, it will have to present to the proper authorities signatures of 75% of the cattle owners rendering cattle for taxes. These cattle owners must own 51% of the cattle as reflected by the county tax roll.

The freedom of movement of cattle in and out of Randall County will be facilitated if Randall County comes under the program. Those of you who have not signed and who favor the program, please sign the bottom of the letter you received and return it to Randall County Farm Bureau.

The Department of Agriculture reports that as of November 15, 1962, 43,507 of the 1,497,260 eligible wheat farms had signed up for the 1963 voluntary wheat program. The sign-up was started on October 15th and will conclude on December 14th. According to the figures released by the Department 2.9% of the eligible wheat farms were signed up in the program on November 15, 1962.

Beta Sigma Phi Initiates Fall Pledges In Ceremony

Pledge Rituals were held on Wednesday night in the home of Mrs. Charles R. Nester, chapter sponsor, for Chi Upsilon, Beta Sigma Phi.

Past President, Mrs. Jack Berry repeated the candle-light vows for the following pledges for the fall season: Mrs. Jim Marshall, Mrs. Wayne Turley, Mrs. Virgil Slentz, Mrs. Leonard Grives, and Mrs. Harold Dillehay. The pledges were presented with their pledge pins at this time.

Members in the circle were: Mrs. Joe Abbott, Mrs. Bill Mayfield, Mrs. Gene Golson, Mrs. Troy Jordan, Mrs. Roy Francis, Mrs. Jerry Johnigan, Mrs. Charles Peckenpaugh, Mrs. Allen Simpson, Mrs. Ben Wade, Mrs. Robert Brotherton, Mrs. Nester, and Misses Virginia Rossiter and Betty Patterson.

Hostesses for the occasion were Mrs. Nester and Mrs. Brotherton.

First monthly meeting for November for Chi Upsilon, Beta Sigma Phi, was held Wednesday night Nov. 14th at the Girl Scout House.

The meeting was opened in the usual way with members and new pledges repeating the Opening Ritual.

After Roll Call, Mrs. Elmer Clement, president, called the meeting to order with the reading and approval of the last meeting's minutes.

Mrs. Roy Francis was made new Extension Officer, and Mrs. Charles Peckenpaugh was made new Parliamentarian by the Executive Board. Mrs. Robert Brotherton was voted "Worst

residing at Rt. 2, San Angelo.

The bride is a 1962 graduate of Umbarger High School, and the bridegroom a graduate of San Angelo High School.

Dressed Hobo" by the membership and presented a trophy.

Arrangements were made and ticket books passed out for a Gunn Brothers Stamp Raffle to be held by the sorority on December 1st. Anyone wishing to purchase a ticket is asked to contact any member. Twenty books of stamps will be awarded to the winner at this time.

With the adjournment of the business meeting, a chapter tradition was carried out--The revealing of Rosebuds, or Secret Pals, for the past year. New Rosebuds were drawn at this time for the upcoming year's activities. Pals were revealed with the exchanging of gifts.

Cultural program for the meeting was entitled "History of Dress", and was presented by Mrs. Jerry Johnigan, who emphasized the different turns that fashion and fads have taken in the eras of different celebrities and presidential first ladies. Stressing the importance and effect each individual had on current styles.

Members and new pledges

present were: Mesdames Joe Abbott, Jack Berry, Jim Christopher, Elmer Clement, Roy Francis, Gene Golson, Bob Henry, Jerry Johnigan, Bill Mayfield, Clifton Newberry, Charles Peckenpaugh, Allen Simpson, Ben Wade, Charles Nester, Robert Brotherton, Leonard Graves, Jim Marshall, Wayne Turley, and Misses Virginia Rossiter and Betty Patterson.

The meeting closed with all members standing and repeating the Closing Ritual.

Hostesses for the meeting were Mrs. Henry and Mrs. Graves.

Jowell HD Club Sets Party Date

The Jowell Home Demonstration Club met Wednesday, November 21, in the home of Mrs. Minnie Bible.

Miss Sally Fields, Home Demonstration Agent, presented a program on making inexpensive Christmas gifts. Members completed the menu for the Christmas party, which is set for December 15 in the home of Mrs. Carolyn Dietz.

Six members present were Mrs. Rosa Roberson, Mrs. Carolyn Dietz, Mrs. Bertha Evans, Mrs. Eula Bonds, Mrs. Helen Davis, Mrs. Erlene Powell and the hostess. Guests present other than Miss Fields were Mrs. J. H. Lisle, Mrs. W. R. Crawford, Mrs. R. C. Yarbrough, and Mrs. Lee Gilbreath.

1925 Club Meets

The 1925 Bridge Club met with Mrs. W. A. Warren on Wednesday, November 21 at her home 2011 3rd Ave. Floral arrangements of mums and roses were used in decoration, and dessert was served to the following members: Mesdames Herschel Coffee, T. V. Crouse, Joe Gibson, L. L. Jones, A. K. Knott, Iverson Leake, Ray McReynolds, Milton Morris, Hud Prichard, Cecil Simms, and J. M. Daugherty. Mrs. D. A. Shirley was a guest.

by Jean Harper

Around The Town

Thanksgiving brought many families from this area together, and, with the Canyon-Dalhousie game, separated some others.

Mattie and Pedro Moreland had Mattie's parents Mr. and Mrs. Otis Houpt from Tucumcari, New Mexico, and her aunt and uncle Mr. and Mrs. Gibson Smith from Duncan, Oklahoma, here. All were together for dinner, but Andy, the oldest Moreland son, who had gone with the Jarretts to the game.

Shirley and Murphy White and Christa had dinner with the J. M. Whites, as did Shirley's parents, the L. L. Byars. Billy and Hal Erwin went to Austin to see Hal's sister, Donna.

All the Lindsey's were together in Borger for Thanksgiving with Bob and Jo Carol going up from Canyon, only

to have to come back on Friday to prepare for little Bob's fifth birthday party on Saturday morning.

Shirley and Joe Rector's second son was born last Friday afternoon. They have named the baby, who weighed nearly seven pounds, Jay Scott.

Lettie Helen Harrell, infant daughter of Carol and Ed Harrell was christened during services last Sunday. She was as good as could be, talking and cooing throughout the service, and all who witnessed it decided Lettie Helen was truly making a joyful noise unto the Lord. Here for the occasion was Ed's sister, Shirley (Mrs. Bill House) of Wichita, Kansas.

The Dale Killingsworths visited Wilda's parents, the A. S. Nasons, in Randlett, Oklahoma, over Thanksgiving.

Sisters, brothers and their

MRS. KENNETH SCHWARTZ

Przilas-Schwartz Nuptials Solemnized Thanksgiving Day

Miss Bernice Przilas of Umbarger became the bride of Kenneth Schwartz of San Angelo, in a double ring ceremony solemnized on Thursday November 22, in Saint Mary's Catholic Church in Umbarger. The Rt. Rev. Msgr. Bosen officiated at the Nuptial Mass held at ten in the morning.

The bride's parents are Mr. and Mrs. Otto Przilas of Umbarger, and the bridegroom is the son of Mr. and Mrs. Otto Schwartz of San Angelo.

Mrs. Fred Begert, organist, played processional and recessional music by Carlo Rossini. The Mass, from Saint Angela, was sung by Saint Mary's choir, and "Ave Maria" was used during the offertory.

For the ceremony, the center altar was decorated with bouquets of white gladioli and blue carnations. The side altars held arrangements of carnations in rainbow colors. Pews were marked with sprays of white carnations and forget-me-nots tied with white satin ribbons.

Given in marriage by her father, the bride wore a floor-length gown of chantilly lace over tulle ruffles fell into a chapel train. The fitted bodice featured a Sabrina neckline edged in iridescent sequins and seed pearls, and long sleeves extending into petal points over the hand. Her finger-tip veil of French illusion fell from a double crown of crystals and pearls. She carried a bridal bouquet in cascade arrangement of blue carnations and sweetheart rosebuds centered with white organdy roses carried by her mother on her wedding day thirty-two years ago.

Mrs. Herbert Woehl served her sister as matron of honor, and Miss Peggy Albracht was maid of honor. Bridesmaids were Mrs. Melvin Przilas, Mrs. Oscar Przilas, and Miss Gracie Artho. Flower girls were Donna Schwartz and Clara Schwartz, cousin and niece of the bridegroom.

The attendants were gowned in white embroidered nylon over pastel colored taffeta. The bodice, featuring a pleated cummerbund extending into a sash over full skirts in back, was fashioned with scooped necklines and short sleeves. They wore circlets of ruffled lace centered with rosettes of matching fabrics. Honor attendants were attired in blue, and bridesmaids in yellow, green, and pink respectively. The flower girls wore similarly fashioned blue dresses. Each attendant carried a cascade of mums dyed to match the dress, and wore crystal jewelry which had been a gift from the bride.

Serving as best man was Tex Halfman of San Angelo, and groomsmen were Herbert Woehl, Oscar Przilas, Melvin Przilas, brothers of the bride, and Billy Ray Schwartz, a cousin of the bridegroom. Ushers were Oscar Przilas, Walter Schwartz, Aaron Cuba, and Wilbert Block.

For her daughter's wedding, Mrs. Przilas chose a blue sheath dress with matching jacket, accented by black accessories and a corsage of white mums. Mrs. Schwartz was attired in a dress of turquoise wool, with black accessories, and her corsage, too, was of white mums.

A dinner in the Parish Hall at noon followed the wedding,

and in the evening a reception supper and dance was held in honor of the bridal couple. Rhine Winkler and his orchestra from Schulenburg, Texas, provided music for the dance, and Mr. and Mrs. Harvey James Mikulik of San Angelo led the grand march.

Following a wedding trip to points of interest in New Mexico, Mr. and Mrs. Schwartz are

MRS. GENE SCHWEERS

Patricia Abbott Marries In Rites At Washington DC

Mr. and Mrs. Ferrell Abbott of Canyon, announce the marriage of their daughter, Patricia, to Gene Schweers, of San Antonio. The wedding took place in the Southeast Church of Christ in Washington, D.C., on October 26 at 8:15 in the evening.

For her wedding, the bride wore a street-length dress of white brocade with a white corsage. Loretta Higgins was maid of honor, and Dee David served as best man.

Delta Zeta

A Christmas dinner for the Zeta Zeta Chapter of Delta Zeta is planned for December 10 in the home of Mrs. Alfred Bellah.

Co-hostess is Mrs. Bob Barnard. Mrs. Donald Olson, Mrs. Jim Cutsinger, and Mrs. James Cole head committees to provide food, kitchen help and decorations.

This has been an annual affair for the past two years.

Birth Announced

Mr. and Mrs. Joe Rector announce the birth of a son, Jay Scott, born November 23, 1962 at Neblett Hospital. The baby weighed 6 lbs, 15 1/2 ozs.

Miss Ernestine Jo Potter To Marry In Chillicothe

The engagement and approaching marriage of Miss Ernestine Jo Potter of Chillicothe, to Olen Doyle McFerrin of Cotton Center, is being made today by the bride elect's parents, Mr. and Mrs. E. R. Potter of Chillicothe. Mr. McFerrin is the son of Mr. and Mrs. Ralph McFerrin of Cotton Center.

The ceremony will be conducted at 4:30 p.m. December 30 in the home of the bride elect's grandmother, Mrs. M. E. Burrell, 301 Avenue L, Chillicothe. T. G. McCord, minister of the Church of Christ in Vernon will officiate.

Miss Elaine Spurlock of Stratford and Canyon will be maid of honor and Miss Brenda Walser of Chillicothe and Dallas will be bridesmaid.

Larry Stanley of Cotton Center will serve as best man, and Roy Burrell of Chillicothe, cousin of the bride-elect, is to be groomsmen. Candelighters are to be Hugh Gibson and Jimmy Ray McFerrin of Cotton

Center, a brother of the bridegroom-elect.

Miss Potter is a 1961 graduate of Chillicothe High School, where she was salutatorian of the class. She was president of the Pep Squad, member of the library and newspaper staffs, serving as co-editor of the newspaper, named "Best All Round Girl," and received the Home Economic Award. She attended West Texas State College, and is now employed by Farmers Cooperative Society in Chillicothe.

Mr. McFerrin was graduated from Cotton Center High School in 1961. He was named "Mr. Cotton Center High School," a class favorite, member of the newspaper and annual staffs and a member of Future Farmers of America. He participated in football and basketball at Cotton Center High School, and attended West Texas State College. He is presently engaged in farming at Cotton Center.

MRS. JACKIE WAYNE WHITLEY

Wanda Carol Bourn Marries In Ceremony At Hill Chapel

In a ceremony at the Joseph A. Hill Chapel on the campus of West Texas State College on November 22, Miss Wanda Carol Bourn, daughter of Mr. and Mrs. Ed Bourn of

Canyon, became the bride of Jackie Wayne Whitley of Canyon. The bridegroom is the son of Mr. and Mrs. J. H. Bullard of Lampasas, Texas. Mr. and Mrs. Ed Bourn of

Central Church of Christ of Canyon performed the double ring ceremony at seven o'clock in the evening. Music was provided by Mrs. Lee Foster, organist.

The altar, flanked by large baskets of white gladioli, was draped in white satin and centered with an arrangement of white gladioli. Seven branched candelabra and foliage stands formed a background for the wedding party.

Mrs. Frank Mullican of Lubbock was her sister's matron of honor, and bridesmaids were Mrs. Gene Phelan and Miss Linda Phillips. Terry Bourn, niece of the bride, was flower girl.

The attendants were identically gownned in dresses of turquoise velvet styled with sweetheart necklines and full skirts. They wore pill-box hats of matching fabric, and carried nosegays of turquoise carnations edged in white lace.

The bride, given in marriage by her father, wore a floor-length gown designed with sweetheart neckline and a bustle back extending into a train. Her illusion veil fell from a crown of tear-drop pearls, and the bridal bouquet was a cascade arrangement of white orchids and stephanotis tied with satin streamers. Nestled in the bouquet was a silk embroidered handkerchief which belonged to her maternal grandmother.

Serving as best man was Jimmy Meeks and groomsmen were J. C. Burt and Wylie Hannah, both of Canyon. Billy Lin Mullican, nephew of the bride was ringbearer, and ushers were Wesley Bourn, twin brother of the bride, and Wayne Leathers, nephew of the bridegroom.

A reception in the Church of Christ Bible Chair Building followed the ceremony. Presiding at the bride's table were Miss Beverly Leathers and Mrs. Jimmy Meeks. Other members of the house party who assisted in serving were Miss Katy LaFollette, Mrs. Jack Metcalf, Mrs. Joe Robert Leathers, Mrs. Metz LaFollette, Mrs. Ray Metcalf, Mrs. Glen Burrus, and Mrs. Verla Simpson.

For travelling on a wedding trip to points in south Texas, the bride chose a suit of beige wool with honey-brown lizard accessories, and a corsage of white orchids taken from the bridal bouquet. Mr. and Mrs. Whitley are presently residing at 2606 Sixth Avenue apartment #5, in Canyon.

The bride, a 1962 graduate of Canyon High School is employed by the city of Canyon. The bridegroom, a 1960 graduate of Lampasas High School, will attend West Texas State College in January.

Pre-nuptial courtesies extended the bride included a miscellaneous shower on October 18 in the home of Mrs. J. B. Roberts, and a personal shower on November 17 in the home of Mrs. Wylie Hannah.

MISS PATRICIA DOWNING

Patricia Downing To Wed In Ceremony December 21

Mr. and Mrs. Neil Downing, Route 1, Canyon, announce the engagement and approaching marriage of their daughter, Patricia, to Lloyd Locke, of Littlefield, son of Mr. and Mrs. Carl Locke, of Route 1, Littlefield.

The ceremony is scheduled to take place on December 21 at the First Methodist Church in Canyon.

Miss Downing, a 1959 graduate of Canyon High School, graduated from West Texas State College in August of 1962 with a degree in Elementary Education. She is presently employed in Brownfield.

Mr. Locke, also a 1959 graduate of Canyon High School, is presently engaged in farming in Littlefield.

The American Association of University Women will hear a program on Fine Arts, on Saturday, December 1, when they meet for a luncheon at 12 noon in the home of Mrs. A. L. Sherrod, 2501 Eleventh Avenue. Miss Ada V. Clark is in charge of the program.

After the group toured the new facilities, an expert florist demonstrated arrangements of plastic leaves, dried leaves and flowers, fruits, cut flowers, corsages, and Christmas wreaths.

Refreshments of coffee and cake were served.

Attending from Canyon were Mesdames William R. Wilson, James Cole, Don Standley, Edwin Kuehn, LeRoy Moreland, and Joe Hooper.

Called when her brother, Eugene Hardman, was critically injured in an auto wreck. He is in the hospital in Temple, See AROUND, Page 5

Sorority Sees Floral Exhibit

A joint meeting of the Amarillo and Canyon Chapters of Delta Zeta Alumnae was held at Freeman's Flowers in Amarillo Tuesday, November 19.

children all gathered at Ples Harpers for a Harper family reunion on Sunday. This reporter dropped by accidentally, but for some reason didn't feel like a stranger amid all the family.

Alton Donnell was here for a short visit, from his home in Grosse Pointe Park, Michigan, for a visit with sister, Kate Gamble, and his father Lem who has been ill.

Eula Donnell has returned from Temple where she was

A recital of songs will be presented Sunday at 3 p.m. in the Fine Arts Building auditorium at West Texas State College by Royal Brantley, standing. He will be assisted by George Eason, pianist. The program is the first of a series of music faculty recitals at WT.

Around. . .

(Continued From Page 4)

where his condition is critical.

Sgt. and Mrs. Paul Bizzell went to Kansas over the holidays.

Mallie and John Williams, and Joan and Dale Williams had a nice trip to Phoenix, Arizona for Thanksgiving where they visited the E. R. Fowlers. Home once more, Joan was surprised on Monday night with a birthday dinner at Mallie's house. Present to celebrate with them were daughters, Karen and Lisha, Joan's parents' the Reford Byers of Amarillo, the R. E. Anthony of Amarillo, and Avenit Lair. (Freddy Lair had planned to be there following a program on which she had to sing in Amarillo, but the program ran too late.)

Frances Haley and the children are back in Canyon to try to sell their house here. Evetts is editor of the Arkansas Farmer published in Little Rock, which will be their home from now on.

Strauss Atkinson is leading a revival in Yukon, Okla., at the church whose minister is Bob Helmick. Bob's wife is the former Martha Jean Dowd of Canyon, and her mother Mrs. J. C. Dowd is visiting there now. Mrs. Atkinson is visiting her sister in Alamogordo, New Mexico.

Mr. and Mrs. L. J. Witkowski had Louise's parents, the S. B. Streets of Graham, Texas, here for a week's visit recently. Home from Fayetteville, Arkansas, where she is in college, was Karen Brewster, as was Joey Whittington who attends the University in Austin.

Mrs. Lillian Gressett and her daughter Mrs. Stanley Schaeffer and children, of Dimmitt, and son Jamie Gressett journeyed to Fayetteville, Ark. to visit Mrs. John L. Meason, and her family. Mrs. Meason is also Mrs. Gressett's daughter.

Mrs. Curtis Smaples has returned from a visit to her daughter's Mrs. Paul Aldridge in Abilene. During the visit she was with Mrs. Guy Taber, formerly of Canyon, who is now living with her daughter, Mrs. Coval Stone, who is a member of the staff of Texas University.

Mr. and Mrs. J. W. McCulley had their son Murray McCulley and his family from Anaheim, Calif., with them over Thanksgiving. Also their daughter, Mary Ruth of Amarillo, and son Dr. Andrew McCulley and his family from Floydada were here.

Mrs. Lang Hunter who spent last week with her daughter, Mrs. J. B. Seale in Kansas City, Mo., says that she was most impressed with the turning on of the Christmas lights there.

Mrs. J. M. Daugherty had a Thanksgiving reunion with her sisters at the home of Mrs. Ted Schuler in Seminole. Also present was another sister, Mrs. Armer Lee Marchbanks of Lovington, New Mexico, and her sons, Mrs. Schuler's daughter and son-in-law, Mr. and Mrs. R. P. Nicholson of Big Springs, her son and his family, Mr. and Mrs. Ted Schuler of Amarillo were also present.

Mr. and Mrs. Elmer Clement, Eddie Don, Leigh Ann, and Mr. and Mrs. T. J. Clement, visited in Elk City, Okla., and Altus Okla., over Thanksgiving.

Mr. and Mrs. Bill Mayfield and sons visited the L. L. Hoggins in Tulsa and with the Tom Crumptions in Quanah during Thanksgiving holidays.

As you can see by the length of this column, you have been most helpful in our request for items of interest for the paper. Please keep up the good work, as we truly appreciate your interest.

Brantley Recital Set Next Sunday Afternoon

First of a series of faculty recitals presented by the department of music at West Texas State College will be a recital of songs by Royal Brantley, assistant professor of voice and director of the Opera Workshop.

The program will be at 3 p.m. Sunday in the auditorium of the Fine Arts Building. Assisting Brantley as pianist will be George Eason, instructor in music who joined the faculty this fall.

A baritone, Brantley has been a member of the faculty at WT since 1953. He studied voice at the University of Texas with Chase Barameo and Floyd Townsley, while working on his Master of Music degree. He has had voice coaching with Carl van Buskirk, head of the voice department at Indiana University, where he is currently working toward his Ph.D.

The recital includes songs and arias in four languages, ranging from the medieval lute songs of John Dowland to new music of Vaughan-Williams, Bridge, and Finzi.

Opening the program will be a group of six short songs, presenting English, Italian, and French styles of the 16th and 17th centuries. Caccini's little-known arietta, "Occhi immor-

tales (Immortal Eyes)" is one of the most beautiful of the few known fragments from the composer's pen and probably dates from the late 16th century.

A group of German Lieder includes songs of Brahms, Wolf, and two of Franz Schubert's greatest compositions, "To Music," the composer's fervent thanks for inspiration, and "The Erl-King," one of the greatest dramatic narratives.

Brantley will also sing an aria, "Cortigiani vil razza (Vile Race of Courtiers)" from Verdi's opera, "Rigoletto." The aria is from one of the opera's most demanding baritone roles, that of the court jester, Rigoletto.

Fourth part of Brantley's program will be a song cycle by Gabriel Faure, "Mirages." It is built on poems of Baronne di Brimont and is among the last works of Faure. It was a stylistic departure for the composer, and instead of the usual flow of legato melody, the cycle is a tonal painting to match the color and mood of Brimont's poetry.

Concluding the program will be a group of modern composer's works including songs by Hatton, Purcell, Finzi, Frank Bridge, and Ralph Vaughan-Williams.

by Mary Caballero

KEEPING UP WITH THE ARTS

It was formerly a belief that cocks crowed all Christmas eve, which doubtless originated from the circumstance that the weather is then usually cloudy and dark, and cocks, during such weather often crow nearly all day and all night. Shakespeare alludes to this superstition in Hamlet:

"Some say that 'ever' gainst that hallowed season, At which our Saviour's birth is celebrated, The Bird of Dawning croweth all night long. The nights are wholesome, and no mildew falls; No planet strikes, nor spirit walks abroad; No fairy takes nor witch hath power to charm, So gracious and so hallowed is the time."

The ancient Christians divided the night into four watches, called the evening, midnight, and two morning cock-crowings. Their connection with the belief in walking spirits will be remembered:

"The cock crows, and the morn grows on, When 'tis decreed I must be gone."—Butler
"The tale of horrid apparition, tall and ghastly, That walks at dead of night, or takes his stand O'er some new-opened grave; and strange to tell, Ev'ning at crowing of the cock."—Blair

Dr. Forster observes: "There is this remarkable circumstance about crowing of cocks—they seem to keep night-watches or to have general crowing matches, at certain periods—as, soon after twelve, at two, and again at daybreak."

Christmas! A Merry Christmas, with Love's gift for the young, Home's comfort for the old, and Heaven's bright hopes for all, is our fervent aspiration.

The Ancients made presents out of respect on New Year's Day, as a happy augury for the

ensuing year, which were called Strenae. Symachus adds that the use of them was first introduced by King Tattius, Romulus's colleague, who received branches of vervain, gathered in the sacred grove of the goddess Strenua, as a happy presage.

Marking Ink (From Mrs. Hale's New Household Receipt-Book)

Sympathetic Ink—With a clean pen write on paper with a solution of muriate of cobalt, so diluted with water, that the writing when dry will be invisible. On gently warming the paper, the writing will appear of a blue or greenish color, which will disappear again when cool.

A solution of muriate of copper forms a yellow and sympathetic ink, and acetate of cobalt a rose or purple. If a landscape be drawn representing a winter scene, the paper being overlaid where the foliage should be with the green sympathetic ink, then on gently warming the drawing, it will represent summer. Sky and water may be drawn with the blue, and standing corn with the yellow ink.

Chinese sayings—Some of the ordinary expressions of the Chinese are sarcastic enough. A blustering fellow they call "a paper tiger". When a man values himself overmuch, they compare him to a "rat falling into a scale and weighing itself." Overdoing a thing they call "a hunchback making a bow." A spendthrift they compare to a rocket which goes off at once. Those who expend their charity on remote objects, but neglect their family, are said "to hang their lantern on a pole, which is seen afar, but gives no light below."

All the little assortment of information above is from a famous old magazine called Godey's Lady's Book and Magazine, 1854, published in Philadelphia by Lois A. Godey.

Cinderella Werner Style On Tap At Branding Iron

A revised rendition of "Cinderella" by a West Texas State College student will be staged Dec. 6-8 in the Branding Iron Theatre as the annual pre-Christmas play of Alpha Psi Omega, national dramatics fraternity.

The revision has been written by Henry Werner, Galveston senior, and will be directed by Lee Blocker of Hereford, assisted by Gary Wyatt of Dimmitt.

Matinee performances are scheduled at 1 p.m. Dec. 6 and 7 and at 2 p.m. Dec. 8, with one evening performance at 8:15 p.m. Dec. 7. Admission will be 75 cents for adults 50 cents for students, and 25 cents for children.

The show is one of a series staged annually by the WT Eta Iota Cast of Alpha Psi Omega prior to Christmas. Proceeds go to a scholarship fund, from which awards are given each year to high school seniors and women who plan to major in dramatics at WT. Winners are selected by audition. Winners last year were LaNell Riley of Pampa and Jerry Don Coulter of Muleshoe.

WT's "Cinderella," as a musical, will feature a cast of 18. The title role will be played by Judy Haney of Andrews, with Ronnie Gabriel of Pampa playing the prince, Fairy Godmother will be Judy Buchanan of Dumas.

Others in the cast include Wilson Evans of Friona as Jac, a mouse, Don McPherson of Amarillo as Gus-Gus, Lana Hard of Quanah as Neestle, Kay Brown of Muleshoe as Ellie,

Kitty Ziegler of Amarillo as Velma.

Juliana Hansen of Tulsa as the step-mother, Lydia Miller of Brownwood as Drisanna, Yulonda Kidd of Duke, Oklahoma, as Grizella, Dwayne Smith of Pampa as the king, Gloria Lew-

is of Littlefield as the queen, and Ronny Parks of Paducah as the prime minister.

Appearing as mice will be Sarah Antrobus of Clarendon, Jeanne Huston of Perryton, Harry Gilstrap of Amarillo, and Jerry Coulter of Muleshoe.

Wood Sculpture On Display In Fine Arts Bldg.

An exhibit of wood sculpture by Marion George of Pampa is on display in the main lounge of the Fine Arts Building at West Texas State College, according to Dr. Emilio Caballero, head of the art department.

The exhibit will continue through next week. On display are more than 50 items ranging from a world map, lamps, figures, primitives, plaques, dishes, trays, and other items.

A native of New York City, Mrs. George has studied at the Art Students' League and at the Westchester County Art Center. She received a scholarship in art to North Carolina College and has won several art awards.

During World War II, Mrs. George was with the American Red Cross in India for three years, where she had an opportunity to study oriental art. She spent four years after the war on the Dutch island of Aruba. She has lived in Pampa for the past seven years.

John Haley Suffers Leg Fracture

John Haley, 2617 Third Avenue, was released from Northwest Texas Hospital in Amarillo Saturday after being treated for a broken leg.

The accident occurred November 12 when Haley was doctoring some sick cows. One of the calves he roped kicked his

Mr. and Mrs. Glenn Dowlen, Sr., George and Marie, and Mrs. Glenn Dowlen, Jr., visited in Austin last week.

Cub Scout Pack #97 will meet Thursday, November 29, in Fellowship Hall of the First Baptist Church at 7:30 p.m.

leg, and shattered the larger bone just below the knee.

Haley was in the hospital about two weeks, and will be on crutches for approximately three months.

These Explorer Scouts are getting set for the light bulb sale the post will conduct Saturday. Here Bill Phillips (left) and Bob Haggard are shown trying their sales talk on Mrs.

Fred Begert. Profit from the sale will be used for Explorer Post projects. (See story Page 1.)

GAY GIBSON SHOWS THE HOLIDAY SPIRIT....

Snow white knits lightly dipped in gold

Fresh as sparkling snowflakes, these gala dresses express all the dazzlement of the season in white Zefkrome® acrylic, double-knit for controlled shapeliness and glitter trimmed with golden accents. All in sizes 5 to 15.

left to right:

Band Will Lead Parade College Choirs Plan Panhandle Yule Tour

West Texas State Buffalo Marching Band will lead the Amarillo Christmas Parade Friday at 7:00 o'clock. The

Mrs. Dean Nicholas and daughter visited her mother, Mrs. C. W. Wooley, in Stephenville, Texas, during the holidays.

parade opens the Amarillo Christmas season.

Amarillo churches and religious groups are building floats for the parade which is kept to a religious theme.

The Amarillo Christmas lights will also be turned on at the time of the parade.

More than a dozen pre-Christmas concerts throughout the Panhandle region have been

scheduled for West Texas State College's two choral organizations, according to Dr. Houston Bright, director of the choirs.

A concert Sunday at 6 p.m. at St. Paul's Methodist Church in Amarillo will open the concert season for the Grand Choir, a 90-voice group.

The large chorus will also present a program Dec. 9 in the Fine Arts Theatre, Dec. 13 in the Administration Building auditorium, and on Dec. 18 for the Canyon Rotary Club.

Dr. Bright's Concert Chorus, made up of 44 singers selected by audition, will start a tour of 11 Panhandle and South Plains schools on Monday.

The group will sing Monday in Hereford and Dimmitt, Tuesday in Lubbock and Plainview; Wednesday in Dumas and Dalhart; Thursday in Gruver and Perryton; and Friday, Dec. 7, in Canadian, Phillips, andampa.

Repertoire for the Christmas season concerts will include liturgical music, contemporary choruses, Christmas music, and novelties and popular music.

The versatile choral group is conducted by a versatile Dr. Bright, who has been at WT since 1940. After receiving his Ph.D. degree at the University of Southern California, Dr. Bright returned to WT where he organized the A Cappella Choir and other choral groups.

Dr. Bright is a member of the American Society of Composers, Authors, and Publishers, for which he was sponsored by Fred Waring. Recently he was a guest conductor at one of the Fred Waring Workshops in Delaware Water Gap, Pa.

A prolific composer of choral, piano, and instrumental music, Dr. Bright will conduct a number of his own selections for the concert tour. Among these will be his liturgy, "De Profundis (Psalm CXXX)" and "Savior's Alleluia."

Shown above are the FFA boys who are members of the Senior Chapter Conducting team that also won first place at the district contest in Dumas November 19. Left to right: front row, Kenneth

Brown, Charles Evers, and Robert Ham; back row, Bobby Evans, Bill Richey, Claiborn Crain, Kyle Powers, and David Yarborough.

Members of the Junior Chapter Conducting team that took first place at the district FFA contest in Dumas November 19 are pictured above.

Left to right: front row, Tommy Sanford, James Evans, and Troy Roach; back row, Bobby Rice, Alec Gordon, Greg Stork, and Larry Robinson.

FFA Teams Win Honors In Dumas

The junior and senior Chapter Conducting teams from the Canyon FFA won first places at the district contest held in Dumas recently.

These teams will compete in the area contest Saturday at

Mr. and Mrs. Oscar Fort of Jerome, Idaho, visited in the home of Mr. and Mrs. J. P. Hammons last week. Mr. Fort is a brother of Mrs. Hammons.

Classified ads in The Canyon News get fast results.

Plainview, and the winners there will go to the state contest to be held at Huntsville December 8.

Three other teams from the Canyon Chapter placed at the contest. The Radio Broadcasting team won second place, the Junior Farm Skill Demonstration team took third place, and the Senior Farm Skill Demonstration team placed fifth.

Boys on the Radio Broadcasting team are Bill Miller, George Cox, and Skip Moore. The Junior Farm Skill De-

monstration team is composed of Jim Killingsworth, Dennis Butler, and Keith Milhoan. Members of the Senior Farm Skill team are Johnny Sikes, Glen Metclaf, and Billy Stocker. Sponsors for the Canyon FFA Chapter are Ed Dwyer and Leon Bagwell.

Visitors in the home of Mr. and Mrs. J. W. Barnett during the holidays were her parents and sister, Mr. and Mrs. C. L. McCann and daughter of Stamford.

Eagle. . .

(Continued From Page 9)

very fast and did a good job on defense last Tuesday night against Hereford. Metclaf scored 7 points and Evans made 2. Coach said Evans really added spark to the game.

When asked about prospects for the coming season, coach Simpson said the boys are getting over football season, but starting this week they will be going into heavy basketball training. "... especially running," he said. Simpson added that the real test would come this weekend against Perryton. "They won Regional last year and went from AA classification to AAA," he said.

The Eagles play Perryton Friday night and either Hereford or Price College High School of Amarillo Saturday night, Simpson said. He expects Begert and Lisle to be his leading scorers in the coming season. Begert was leading scorer last season with 405 points to his record.

Coach Simpson said the Eagles really have some tough competition to face this season but they are ready to go.

"We play Borger twice, Hereford twice, Perryton once, and Dumas once. Dumas won the state high school basketball championship last year," he said.

"Hereford, Perryton and Dumas are AA teams and Borger is AAA while we are just AA," Simpson said. Canyon High's basketball record last year was 16 wins and 14 losses.

Coach Simpson said the Canyon High girls' basketball team has 4 returning lettermen on the varsity and two returning starters, Kaydean Barnard, 5'6" Sophomore forward and Cynthia Gerald, 5'7 1/2" Sophomore forward.

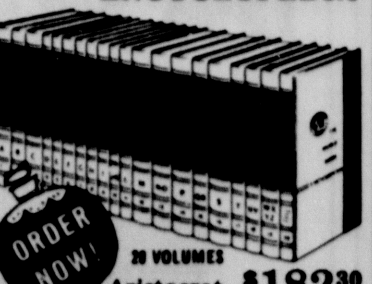

Simpson said that although the girls' team is young, (15 years old average) they are rebuilding for next year's competitions.

The Eagles dropped a game to Hereford Tuesday night 50 to 40.

Mr. and Mrs. Larry Anderson visited in the homes of both their parents in Miami, Texas, over the Thanksgiving holidays.

Chamber Business Routine

Members of the Chamber of Commerce board of directors heard several committee reports Monday night at a regular meeting but business mostly was routine.

Jerry LaGrone told of a meeting with the highway department concerning a proposed new connecting road from the expressway just north of Buffalo Bowl to Washington Street.

Nothing concrete came out of that meeting.

H.R. King reported on Christmas decorations and a Christmas season drawing.

The board voted to participate in the amount of \$50 in a Governing Board Committee fund for promotion of state colleges.

Following its regular session, the board met briefly with the city commission.

Going somewhere? Or been? The Canyon News wants to know about it -- and so do its readers.

Boy Scouts John Warren, Randy Cook and Larry Pitt, all Life Scouts, are shown receiving honors from O. W. Parker, Randall County District Chairman of the Boy Scouts of America.

Thirty Boys Get Awards In Court Of Honor Here

Thirty of thirty-five boys from Boy Scout Troop 31 received awards during the Court of Honor held Monday evening at 7:30 in the Sanctuary of the First Methodist Church.

The awards were presented by official board members of the Llano Estacado Council: Clark Jarnigan, Frank Morgan, Bill Davis, O. W. Parker, and Battle Harris.

Eight Tenderfoot awards were given to Craig Parker, Curtis O'Donald, Charles Parks, Bobby Todd, Tom Callarman, Ricky Warren, Nicholas Petrucione, and Tom Van Valkenburg.

Second Class awards were presented to Craig Parker, Curtis O'Donald, Ricky Warren, and Roger Gist; and First Class ranks were earned by Mike LaGrone, Stoney Ormsby, Don

Edmondson, and Mike Waugh. Star awards were presented to Kenneth Hammons, Andy Sherrod, Eugene Bonds, and Charles Starnes. John Warren, Larry Pitt, and Randy Cook were awarded Life ranks.

Captain A. G. Dorough, Range Officer of the college ROTC, presented 27 rifle awards to 16 boys. A total of 90 merit badges were earned and presented by 30 of the 35 boys in the troop.

According to Meredith Warren, scoutmaster, this Court of Honor was one of the largest award nights ever held by the troop.

Eagles Fall Prey To Pack In Bi-District

by Gary Lee

Canyon's Eagles represented their school with honor Thanksgiving day even in defeat as they bowed to the Dalhart Wolves 27 to 7 at Dalhart.

The Eagles led the Wolves by a single penetration at half time with the score tied 7-7 at that point.

But in the opening minutes of the third period it became apparent that the scintillating reverses of Louie Allred, the bull-like charges of big Jim McCleskey coupled with the power of the Wolf forward wall simply would not be denied.

The Eagles-- themselves a great team--threatened but never delivered in the second half. Fumbles, interceptions and penalties at crucial points were costly to Coach Jeep Webb's charges.

The Eagles took the ball on the opening kickoff, and moved it 51 yards to the Dalhart 29 yard line. It was here that the Wolves took over and started their drive.

Louie Allred, quarterback, started the Dalhart drive moving when he almost topped Harry Lisle's, Eagle halfback, 27 yard run with a 22 yard run of his own.

Allred carried the ball for the last time in this drive when he scampered 15 yards for a touchdown. Dwight Clifton, tackle, kicked the extra point, and the score was 7 to 0 in favor of Dalhart.

The Wolves kicked to the Eagles and Jerry Vance, fullback, returned the ball 19 yards for the Eagles. Price picked up 2 yards.

Don Breitling, quarterback, hit Eddie Poole with a pass good for 13 yards, and the Eagles were on a touchdown drive.

Vance carried twice for a total of 11 yards; then Breitling and Poole teamed up again for a 15 yard pass completion. Lisle picked up 4 previous yards toward a touchdown. Breitling ran for a 9 yard gain.

Vance picked up 2 yards, but the Eagles were charged with a 15 yard penalty.

Lisle made 5 yards. A pass attempt failed. Then Davis Price, halfback, connected with

Bob Begert, end, for the only Eagle touchdown of the game. Lisle kicked the extra point, and the score was all tied up 7 to 7.

The Eagles kicked to the Wolves, and Colquitt returned the ball 30 yards before Ronny Brock made the stop for the Eagles.

The Wolves gained only 2 yards on the next play being stopped by Bill Phillips and Tim White of the Eagles.

Colquitt carried again for loss being tackled by Bill Phillips.

Jim McCleskey made 15 yards before Brock brought him down. McCleskey carried again for 1 yard being stopped by Preston Prichard and White.

The Wolves failed to make another first, and they punted to the Eagles.

The Eagles took over on their own 10 yard line. Vance carried for 4 yards. Price picked up 6 more to make a first down.

The Eagles were held on the spot and had to punt. There was no return, and the Wolves had possession again.

McCleskey carried for 1 yard being stopped by Ronny Brock. McCleskey ran again for 8 yards before Lisle and Brock made the stop.

Allred made 2 yards before Brock made the tackle. Allred again carried but for 10 yards before Brock and Lisle brought him down. It was Allred again for 1 yard before Brock stopped him.

McCleskey carried for 2 yards being stopped by Tim White and Robert Hutton. Colquitt was stopped on the line by a gang of Eagles.

The Eagles took the ball on downs. A pass attempt from Breitling to Begert was no good. Breitling took to the air again, and a low pass was intercepted by Jeff Colquitt of the Wolves.

Allred carried for 4 yards being stopped by a gang of Eagles. A pass attempt failed and the score at the end of the first half was 7 to 7.

The Eagles kicked to Dalhart to start the second half of the grid battle. Jeff Colquitt was stopped by Joe Kerbel after a gain of 2 yards. McCleskey made 3 yards being

stopped by Lisle.

Bill Phillips was through the Wolf line to throw Allred for a 5 yard loss on the play. The Wolves were forced to punt, and Clifton did the job well with a 57 yard punt to the Eagle 3 yard line. Lisle carried for 5 yards to put the Eagles on the 8 yard line. Breitling made 7 yards; then Lisle quick-kicked.

Colquitt was stopped with no gain by a gang of Eagles. Allred picked up 4 yards before Breitling and Hutton made the stop.

McCleskey made 12 yards with only one man between him and the goal, and that one man, Bill Phillips, made the stop. Ronny Brock was the man who stopped McCleskey on the next play after a 7 yard gain.

McCleskey made 5 more yards being stopped by Brock and White. McCleskey broke loose for a 10 yard gain before Preston Prichard nailed him.

Colquitt picked up 2 yards before Kerbel and Brock brought him down. McCleskey was stopped with no gain by Prichard, Brock, and Hutton. Colquitt made 1 more yard before Hutton and Poole made the stop on the 2 yard line.

McCleskey took the ball and drove two yards for the score. Clifton kicked the extra point, and the score was 14 to 7.

The Wolves kicked to the Eagles, and Lisle returned the ball 18 yards to the Canyon 18 yard line. Lisle carried again for a 2 yard gain. Vance took the hand-off and gained 4 yards for Canyon. Lisle made 3 more yards.

The next play was a vital one in the game when Breitling ran the option and pitched to Lisle, but McCleskey was there, and the ball was right in his arms. McCleskey carried for 3 yards being stopped by Brock and Kerbel. Allred made 10 yards before Breitling brought him down. Colquitt picked up 3 yards being stopped by Prichard and Begert.

McCleskey made 2 yards before Breitling and Prichard stopped him. Colquitt took the ball 12 yards to a touchdown. The extra point was no good, and the score was 20 to 7. The Wolves kicked again, and Vance returned the ball 33 yards. Breitling made 2 yards on the option. Vance was stopped with no gain.

Lisle made 6 yards up the middle. Vance came back with 8 more yards for a first down. Price was thrown for a 5 yard loss on the next play. Phillips hit the middle of the line for a 5 yard gain.

Another very vital play in the game was when, in an Eagle drive, Vance carried the ball 4 yards and fumbled on the Dalhart 26 yard line, and Dalhart took over.

Colquitt met the Eagles' Ronny Brock head on, and there was no gain on the play. McCleskey carried for 1 yard being stopped by Brock and Kerbel.

Begert stopped Allred on the boot-leg play, which hurt the Eagles throughout the game, for no gain, but Hutton hit Allred after the Whistle had blown, and the Eagles were penalized 15 yards.

McCleskey made 5 yards before being stopped by a gang of Eagles led by Brock. McCleskey carried again, but he was stopped for no gain by Begert and Whinnery. Colquitt made 4 yards before being brought down by Poole and Whinnery.

McCleskey was stopped by White after a 7 yard gain. Colquitt was stopped by a gang of Eagles led by Brock after a 4 yard gain. Allred gained

4 yards, and the Wolves had another first-in-ten. Allred was thrown for a 10 yard loss by Hutton. McCleskey took the ball again for a 5 yard gain being stopped by Begert and Poole.

Allred made 13 yards for the Wolves to give them a first-in-ten and set up another Dalhart touchdown. Colquitt made 5 yards to put the ball on the 1 foot line before Brock and Lisle made the tackle. Allred went over for the score, and Clifton kicked the extra point making the score 27 to 7.

Dalhart kicked to the Eagles, and Vance returned the ball 30 yards. On the last play of the game Breitling connected with Whinnery for a 7 yard gain.

Sun Bowl Tickets On Sale

West Texas State's Buffaloes will begin practice Dec. 10 for their encounter in the Sun Bowl with highly regarded Ohio University.

West Texas State finished the season with an 8-2 record while Ohio U. sports a similar record.

In the meantime, tickets for the grid classic are on sale at the athletic director's office at the West Texas State Field House. Deadline for purchasing tickets is Dec. 10.

by Troy Martin

Along The Sideline

Among my earliest memories is that of hearing the legend of West Texas State basketball teams.

I spent my early childhood at Turkey and everyone in Hall County knows that Turkey is Buffalo Country or was back in the days of George Ray Colvin.

I remember Colvin well as a boy. He was one of the idols of the community and his name was great here at Canyon where he was an All-American cage star.

Colvin was not the only maplewood genius sent to West Texas State by the Terrible Turks from Turkey.

There were the Clark boys--Robert and Lawrence. My childhood buddy was a younger brother of the Clark brothers. Naturally, through my chum, Pete Clark, I was exposed to the exploits of Buffalo cagers at a tender age.

Conway Butler was a Turkey product and then there was Deacon Johnson. We called him Clarky back at Turkey but he was dubbed Deacon almost immediately here at West Texas State because of his penchant for preaching.

As a matter of fact, the Deacon still preaches. He's holding a meeting this week at the Church of Christ in Tulsa.

Deacon's dad, Alva Johnson, was one of the great Church of Christ leaders of his era.

Deacon's older brother, Charles Alva, used to be well known here at Canyon. Charles Alva was known as Chatty or simply as Chat. That's what his contemporaries called him at Turkey and we understand that the nickname stuck here at WT.

Chatty is teaching school and has been for many years. The last time we heard from him he was at Seagraves.

George Ray Colvin was a vocational agriculture teacher at

Regional Play Here Saturday

Sunray will meet Petersburg in a regional play off game at 7:30 o'clock Saturday night in Buffalo Bowl.

Sunray defeated LeFors in bi-district play to advance to Class A regional play. Petersburg defeated Hale Center to continue in the state play off.

Sunray, with one of the most powerful Class A teams in the area, was one of two teams which defeated Class AA Canyon in regular season play this year.

Fraternity Sponsoring Tournament

A high school invitational basketball tournament sponsored by the Phi Epsilon Kappa Fraternity will be held Friday and Saturday at West Texas State Field House. The most outstanding area high school basketball teams are scheduled to play one another.

Boys teams will include Canyon High, Hereford High, Perryton High and Price High.

Girls teams will include Claude High, Tulla High, Dimmitt High and Friona High.

The Phi Epsilon Kappa Fraternity is a men's physical education group, the second such fraternity in Texas and the fifth in the South.

Representatives of the fraternity said half of the net proceeds from the games will be given to the Amarillo Crippled Children's Home.

TO THE VICTOR -- Jim McCleskey, (33), Dalhart Wolf fullback, is shown here with the trophy for winning bi-district championship.

Harry Lisle is shown holding the runner up trophy while Tim White of the Eagle team looks on.

Pony Express In 1st Place

Pony Express grabbed first place in the team division of the first place in the team division of the first annual Canyon Mixed Tournament Saturday with 2,406.

Jean Saylor, Bob Saylor, Jerry Nelson and Fran Wofford are members of the team. Next are Doc Savage Supply 2,389, Chitwood-Barnes Co.

agonizing exhaustion in a good fast quarter.

Basketball is among the finest spectator sports. It's a fast moving game. The Buffs will be playing at home soon. We hope the gym is filled for that occasion.

We hope for Metz LaFollette and his Buffalo Cagers a season as good or better than that of the Buffaloes on the grid iron.

We hope Coach Allen Simpson's Eagle cagers will match or equal the record of the Eagle football team.

Going somewhere? Or been? The Canyon News wants to know about it--and so do its readers.

Bufffs Open Cage Season At North Texas Saturday

West Texas State's basketball forces will kick off the 1962-63 season Saturday night against North Texas State at Denton. The Buffs then will come back to open the home season Tuesday night with Midwestern University. Tip-off time is 8 p.m.

The Buffalo freshmen also open their schedule Saturday night, meeting Texas Tech at Lubbock. The freshmen, coached by Ray Musgrave, will play South Plains JC in their home opener prior to the Midwestern varsity clash.

The West Texas State basketball roster has a pleasant blend of experience, height and speed and the Buffalos are expected to be on their way back this season.

Facing a tough schedule with mostly sophomores, the Buffs had a disastrous 5-18 record last year. The schedule is nearly as tough this year, but Coach Metz LaFollette has high hopes for more victories.

The 10-man varsity squad has three seniors, three juniors and four sophomores. After considerable practice this fall, the starting lineup appears to have Frank Schaffer and Scottie Pierce at the post positions, and Sonny Blankenship, Steve Slagle and Vernon Welch at the guard spots.

Slagle, a 6-3 1/2 senior from Hereford, and Blankenship, 5-10 two-year starter from Gruver, have the most experience. The two post men are juniors and saw a lot of action last year. Schaffer, 6-8 Borger product

who made All-State in high school, was a fast-comer at the end of last season. He averaged 25 points per game in

Drank, Creighton, Oklahoma City U., Texas Western and New Mexico State. The squad will compete in the 8-team

Gulf Coast Basketball Classic at Shreveport, La., over the Christmas holidays. Other teams are TCU, George Wash-

ington, Eastern Kentucky, Mississippi Southern, Louisiana Tech, Centenary, and Northwest Louisiana.

Frank Schaffer (42) breaks under the basket in the game between the varsity and the freshmen at WT Field House Tuesday night. David Shearod (51) tries to put a stop to the

play and looking on at left is Bobby Roland (10). The varsity is dressed in the white trunks and the freshmen in dark trunks. The varsity won the match 82 to 67.

Eagle Cage Prospects Appear Good This Year

Allen Simpson, basketball coach at Canyon High School, is looking forward to the best basketball season he has had with the Eagles. This will start the third season for Simpson with the Eagles.

Coach Simpson said he has two returning starters, Bob Begert and Harry Lisle, both seniors. Begert is 6'5" and weighs 190 pounds and will play center this season for the Eagles. He won All-District last year scoring 405 points.

Lisle at 5'8" and 150 pounds, will play guard. Coach Simpson says Lisle makes up for his small size by being "very quick." Simpson said that Lisle was "... my best ball handler and defensive man. He is really quick." Lisle scored 227 points last year.

Other varsity players for this season are Davis Price, 6 foot, 185 pound senior forward; Don Breitling, 6', 165 pound junior guard; Jim Whinnery, 5'8", 150 pound junior guard and Eddie Poole, 6'3", 180 pound junior forward up from last year's "B" team.

Coach Simpson said Lisle is usually a starter on the team, but that he may not start this season because of a shoulder injury suffered in the Dalhart football game this fall. Simpson said Jim Whinnery will start in his place until Lisle's shoulder heals.

Simpson said he also has two other players who have come up the ranks from the "B" team. They are Glenn Metcalf, a six foot, 150 pound senior guard and Bobby Evans, 5'8" and

145 pounds. Evans is a junior guard for the Eagles.

Simpson said these boys are See EAGLES, Page 7

Canyon Club Wins Ten In Pampa

The Canyon Boxing Club took 10 of 17 matches from the Pampa Optimist Boys Club Saturday when the two clubs met in the Canyon Club Gym at 1608 Fourth Avenue.

The results of the fights were: 55 lb.--Claude Brown, Pampa, decided Brad Hollingsworth, Canyon, and James Holtman, Pampa, decided Bruce Thompson, Canyon; 60 lb.--Mike Clement, Canyon, decided Johnny Roth, Pampa; 75 lb.--Howard Wayne Clement, Canyon, decided Vince Strasser, Pampa; 60 lb.--Andy Grim, Pampa, split decision over Johnny Ray Cameron, Canyon; 65 lb.--Kyle Sunderman, Canyon, decided Gary Ho-

well, Pampa; 95 lb.--Robert Cameron, Canyon, decided Alfred Brown, Pampa; 105 lb. Marshall Noblett, Pampa, decided Avery Thrasher, Canyon; 110 lb.--Neal Thrasher, Canyon, decided Alfred Nichols, Pampa; 112 lb.--Jerry Criddle, Canyon, decided Billy Corley, Pampa; 118 lb.--Jessie Dean Reed, Pampa, technical knock-out in the second round over Eddie Garcia, Canyon. 125 lb.--Don Clement, Canyon, technical knock-out over Larry Flippo, Pampa, in the second round; 135 lb.--Mike Slattery, Canyon, and Weyland Holtman, Pampa, fought to a draw; 140 lb.--Tommy Brewer, Canyon, decided Paul

Bynum, Pampa; 145 lb.--Bob Ashby, Pampa, technical knock-out in the first round over Wayne Brewer, Canyon; 145 lb. Ronny Brock, Canyon, decided Jim Murry, Pampa.

Referee for the fights was Carroll Stafford, judges were Calvin Costley and Gene Sunderman, and timekeeper was Jim Marshall.

The Canyon Boxing Club will meet the Borger Club here at 7:30 o'clock Saturday night.

SCD News

The Randall-Potter Soil Conservation District has been in operation for almost eight years. During this eight years the supervisors have approved 345 agreements with farmers and ranchers covering 257,081 acres of land. A Standard Soil Survey has been completed on 403,623 acres. This soil survey gives depth, texture, erosion, and permeability of the soil. From the information obtained from the soil survey technicians of the Soil Conservation Service are able to interpret the needs of the land and make suggestions to farmers or ranchers for the best use of each acre of land.

The district has 32 Great Plains Conservation Program plans in operation at the present time.

On these plans the farmers and ranchers have used each acre of land within its capabilities and treated all the land according to its needs for maintenance or improvement. Some practices installed on these 32 plans include range seeding, windmills, and storage tanks, dams, terraces, diversions, waterways, and management practices on cropland and rangeland.

For information on practices or programs contact your local SCD supervisors or SCS technicians.

Mr. and Mrs. W. B. Harris visited in the home of her brother Mr. and Mrs. Ralph Mathis of Gruver during the Thanksgiving holidays.

WHO'S WHO -- Among thirty-four West Texas State College juniors and seniors to be named right, Larry Robertson, Sondra King, Mayla Atkinson and Judith Parsons, all from Canyon.

Four Canyon Students Get Who's Who Honors

Four students from Canyon are among 34 juniors and seniors named to represent West Texas State College in the 1962-63 edition of "Who's Who Among Students in American Universities and Colleges."

They are Sondra Lynn King, Judith Ann Parsons, Larry D. Robertson, and Mayla Atkinson.

Daughter of Mr. and Mrs. K. E. Hines, Mrs. King is a senior biology major. She is secretary of the Biology Club, a member of Buffalo Gals, service sorority, and a member of Kappa Delta Pi, national education fraternity.

Miss Parsons is the daughter of Mr. and Mrs. Robert Parsons. She is a senior history major. She is a member of Student Education Association, Alpha Chi, national honor society, and Kappa Delta Pi, national education fraternity. Miss Parsons is secretary of the History Club.

Son of Mr. and Mrs. Alma A. Robertson, Robertson is a senior agriculture major. He is vice-president of the Aggie

Club. Last year he was winner of the Freshman Livestock Judging Contest.

Daughter of Dr. and Mrs. Strauss Atkinson, Miss Atkinson is a senior business education and English major. She is a member of Kappa Delta Pi, national education fraternity; Student Education Association, Student Union Board, and the Baptist Student Union.

by Mrs. J.W. Wesley

Fairview Breezes

We had a quiet Thanksgiving Day and a great deal to be thankful for.

Mr. and Mrs. Raford Shipman and children went to Seymour over the weekend to visit with his mother and other relatives.

Mr. and Mrs. E. W. Schaeffer spent the Thanksgiving holidays with their daughter and her family in Lubbock. Mr. and Mrs. Robert Smith and boys.

Mr. and Mrs. G. E. Wesley entertained friends and relatives in their home Thanksgiving day.

We were happy to have Mr. and Mrs. H. H. Shipman back in church Sunday morning. They have been absent for several months.

Visiting in the J. W. Wesley home Saturday evening were Mr. Leo Carlton and his three children. Mrs. Carlton was ill and was not with them.

Visiting in the C. P. Rogers home Sunday were Mrs. Edna Wilson and her sons Darrell and Charles. Charles was accompanied by his wife and four children. Mr. and Mrs. J. W. Wesley were also guests.

Mr. and Mrs. Ervin Wilson entertained friends Thanksgiving Day.

Mr. Elvin Wesley of Broomfield was a visitor in his parents' home over the Thanksgiving holidays. He redecorated their home while he was there.

Mr. and Mrs. Woodrow Wesley visited in Canyon with her brother and his family, Mr. and Mrs. Bob Boyd Thanksgiving Day. Mr. and Mrs. Thomas Boyd of Artesia, New Mexico were also present. Mr. Thomas

Final Rites Held For W. Sparks

Funeral services for William Henry Sparks, 78, a former Canyon resident, were held in the LaGrone Funeral Chapel Saturday at 2 p.m. with Dr. Strauss Atkinson, minister of the First Baptist Church of Canyon, officiating.

Mr. Sparks, a retired merchant, died last Thursday at the Sloan Rest Home in Lubbock, Texas. He was born August 5, 1884, near Pickton, Texas. He moved to Canyon from Amarillo in 1946, and then moved to Lockney in 1960.

Burial was in Dreamland Cemetery.

Pallbearers were Lonnie Byars, Bob Dowd, J. C. Curb, Fred Cooper, and W. T. Cooper.

Relatives include his wife Mary of Lockney; a son, Cecil Flake Sparks of Lampas, California; a daughter, Mrs. Arlie C. Hudson, Lubbock, Texas; four grandchildren; three great grandchildren; three sisters, Mrs. Claude Wofford of Lockney, Mrs. Joe Baker and Mrs. Walter Mathis of Portales, New Mexico; and three brothers, Dewey Sparks of Portales, Jim Sparks of Austin, and Luther Sparks of Marlin.

Thanksgiving guests in the home of Mrs. and Mrs. Harlie Adams were her sisters and their families, Mr. and Mrs. L. H. Fowler of Smyer, Texas, Mrs. and Mrs. Woody George of Dimmitt, a brother, Mr. and Mrs. Bill Neeley of Panhandle; two nieces from Canyon, Sandra Neeley and Mr. and Mrs. Weldon Tucek; and her parents from Canyon, Mr. and Mrs. L. E. Neeley.

Sunday night.

Frank Rogers spent the weekend with his sister, Kate Folk, in Canyon.

Mrs. Edna Wilson, her son and Mr. and Mrs. Charles Wilson and children attended Six Flags Over Texas recently in Fort Worth. They enjoyed it very much.

Dr. J.A. Hill Book Presented

Dr. J. A. Hill and Jerry LaGrone presented booklets to the graduating seniors of Canyon High School Monday. The book is entitled "My Success Depends On Me" by Dr. Hill.

The booklet and a short talk by Dr. Hill, were designed to encourage the graduating seniors to depend upon their own resources and not be discouraged by the problems they would face when they left school.

Dr. Hill passed a piece of iron pyrite or "fool's gold" to the group, using it to emphasize his point that many of life's failures are based on the search for false values. He said he preferred the boy or girl with average intelligence

and ability who went after the really valuable things in life instead of the fool's gold type values.

Visitors in the home of John L. Williams last Saturday were his brother and wife, Mr. and Mrs. Lee O. Williams; and two nieces, Mrs. Betty Murrill and Mrs. Julia Jenkins, all of El Paso. They returned home Sunday.

Mr. and Mrs. Joe Gibson, superintendent of Canyon Schools, spent Thanksgiving Day in the home of his brother, Mr. Kenneth Gibson and family, a principal of one of the Amarillo schools.

An Editorial

The big guns no longer belch their message of death along the Iron Triangle, and White Horse Mountain rears its peak into a sky no longer troubled by the drone of jets.

Heartbreak Ridge awaits in tense silence for the volcano that is certain to erupt. Yes, the forward line is silent.

Our leaders sit down to bargain for "peace in our times" with men whose hands are dripping with the blood of 25,000 Americans over whom silence has descended forever.

There is little jubilation among the American people. For the first time in history we have been led down the road to defeat.

Ships of our British "ally" may now ply the China Sea at will fattening on trade that will strengthen Communism for another blow at the free world.

China will be free to consolidate her gains in Southeast Asia and launch out with new aggression in Indo China and may be even India. Conquest of Indo China, which the Reds are now free to pursue, will put the vast rice basket of the East inside the Communist sphere.

The Korean truce will leave Russia free to bludgeon the bloody head of East Germany, Poland, Czechoslovakia and other small nations behind the Curtain where people are struggling against the Kremlin yoke.

In those small countries our real allies are dying every day for freedom. What can be their opinion of the country whose torch of Liberty until now has lighted the free world? We have in effect told the Kremlin that we will passively watch the rape of Eastern Europe.

Did Munich sate the voracious appetite of Adolf Hitler? Will Panmunjom satisfy the greed of the Communists? Anyone who has lived the past 15 years knows the answer to those questions.

Soon we shall stand alone before a merciless enemy who will not hesitate to rain fire and brimstone upon the heads of our women and babies.

With head bowed, today we stand in the awful presence of a history which will not forgive the blunders of these blackest years in the life of this Republic.

(Written in The Olton Enterprise by Troy Martin, July 30, 1953, four days after the Korean truce was signed at Panmunjom.)

by Dr. J. A. Hill

Hilltop Views

A few weeks ago Frank Hill's Lynn County News carried the following story.

Two neighbors were talking about automobiles. Jones pessimistically observed, "they are ruining this country. Just look at the extravagance and waste they cause. Gettin' right down to hard facts, very few people can afford a car. Yet, a lot of poor people try to keep up two or three of the things. They tell me some college kids have as many as two cars each. I tell you for a fact, the gasoline buggy's ruining the morals of our young folks."

At this point Smith interrupted. "Ah, you're all wet. Automobiles are actually improving the morals of this country."

"How do you make that out?" queried Jones. "Well, just look at the horse stealing they have stopped," answered Smith.

When I read that story I thought of Frank Norfleet down at Hale Center, one of the most colorful characters this part of the Old West produced. I can't take time now to tell why and how this is true, but all old-timers will confirm the statement.

Well, a few years ago he celebrated what he said was his hundredth birthday and invited a number of his friends to come in. Mrs. Hill and I went. (Mrs. Norfleet said really it was his 95th, but she cooked a big hundredth birthday cake and otherwise made to do over a centennial occasion. She said he enjoyed so much being 100 that she didn't have the heart to disillusion him.)

But here is the point to this story, which he told to me privately in his bedroom. A few years before our conversation he had taken his favorite mare to some sort of a horse show at Los Angeles. While he was there his mare was stolen and search all he could for a week or more he had to leave his beloved piece of horse flesh in California. After he had been home a week or so he received a letter from a L. A. peace officer saying he knew where to find the mare. Frank hopped the first Santa Fe west.

On arrival he was told that his prized possession was hidden in a little shed out in the brush some 17 miles from the city a few hundred yards off a certain little used road. Frank lost no time locating her. While he was petting and renewing his acquaintance with the animal the thief approached and insolently inquired: "What are you doing here, sir? You get out of here and leave my mare alone."

Frank said he had absent mindedly left his pistol at the hotel, so he quickly rammed his hand inside his shirt, stuck his thumb out to simulate a trigger, and bravely said to the thief: "You black-hearted Devil, if you open your mouth again I'll shoot you so dead you'll stink before you hit the ground," Frank took his mare back to Hale Center.

But this story is parenthetical. I really want to make a few observations about the Jones-Smith argument on the influence of the automobile in American life. However, I am not inclined to take side. What I really want to say is that whatever evils the automobile has brought can be very appreciably reduced any time the American people will make up their minds to do something about the following:

1. The destruction of life and property. I do not have at hand the statistics in this connection, but all of us have seen them and they are appalling. Almost every day the toll of dead and wounded by automobiles runs into the hundreds. If communists were dealing out that kind of destruction the wrath of this country would be expressed with nuclear weapons. Property loss likewise is staggering. If this could be saved and the equivalent in value turned into the U. S. Treasury it would doubtless slow down the constant raising of the ceiling on our national debt.

2. Wide-spread disregard of and often-times contempt for law and regularly constituted authority. In the case of the automobile it is safe to estimate that three-fourths of all who drive cars more or less habitually violate traffic laws. Excessive speed must carry a sizable percent of loss of life and property in traffic; also our trend toward anarchy.

3. Another cause of traffic accidents is the lack of consideration for the other fellow's rights--in other words, the lack of politeness or common courtesy. Many a time I have avoided a serious accident by giving up my own traffic rights to a greedy, speedy, selfish driver who is about as civilized as a mule colt. But I always keep my blood pressure down by quoting to myself that familiar traffic ditty that runs as follows:

Here lies the body of William Jay
He died maintaining his right-of-way.
Dead right he was as he sped along.
But he is just as dead as if he'd been dead wrong.

I have some respect for the intelligence of the fellow who said he would rather be an hour late at his appointment than to be in hell on time.

4. Not the least of the factors that produce appalling loss of life and property on the part of the automobile is liquor. It is authoritatively asserted that one-third of all fatal traffic accidents is directly or indirectly due to drinking drivers. This is a terrific indictment of every one who manufactures, sells, and / or uses intoxicants.

None of the above evils in our American system are rightly chargeable to the automobile, but to the weakness of our people. We can stop them any time that we have the desire and the will to do so. When and if we do make such a decision we shall have added more to the strength and safety of this nation than any number or kind of the implements of war.

FIGHTING COMMUNISM - NEW FRONTIER STYLE

by Troy Martin

FROM THE CANYON RIM

In something almost unprecedented in Canyon, Monday night the city commission voted against a zoning change in Block 31, Normal Addition, on the south side of Canyon after such a change had been recommended by the zoning board.

Charles Gerald wanted to move his trailer court onto the block. The trailer court now fronts on Highway 87. Moving the court would have made way for a modern restaurant which Gerald has been contemplating for the property there.

How the commission's decision will affect the construction of the restaurant was not known at this writing as Gerald could not be reached for comment.

City officials believed that the decision would not materially affect the construction of the restaurant.

The commission reached the decision after long discussion. They interviewed property owners in the area. Most of the property owners were against such a change.

The Chamber of Commerce board of directors backed up the zoning board. Normally, the wishes of the zoning board are followed by the commission although this course is not legally obligatory.

Clarence Eugene Thompson cast a dissenting vote. The remainder of the commission felt that such a change would be poor zoning practice.

We certainly hope that the refusal of the change will not affect the commercial growth of the city in that area. However, we must concede that the wishes of other property owners in the area are of the utmost importance.

by John Brazzil

COUNTY AGENT'S COLUMN

Wheat and feed grain producers will have a chance to hear details of new program provisions on Thursday night Nov. 29. On this date in the Canyon High School Auditorium representatives from the Canyon ASCS office and the Extension Service will hold an information meeting for the benefit of Randall County growers. The meeting will start at 7:30 p.m.

Producers of cotton will vote on marketing quotas on December 11. Polls will be open from 8:00 a.m. to 6:00 p.m. Polling places will be at Ralph Switch, Umbarger, and Canyon ASCS Office.

Do you like to hunt--but dislike the "gamey" flavor of Wildlife?

The quality of meat depends largely on how the game is handled from the time of kill until served.

The publication, B-987, "Wild Game--Care--Cooking" describes the proper care of small game, big game, and game birds in the field, in camp and at home. Methods of cooking big game are given along with ideas for tenderizing mature and tough game.

Small game cookery and care also is outlined in the bulletin. Tips on freezing and storing all types of game are included along with a section devoted to methods of cooking many kinds of game birds of the state.

Copies of this helpful publication may be obtained at my office in the Courthouse.

The feeding of silage requires an increase in the protein level of the grain ration for dairy cattle. This fact was proven at the Tyler Experiment Station Herd recently. Cows that dropped in production on heavy silage feeding gained this production back at a profit when the protein content of the grain ration was increased and this increase was profitable.

Several community Clubs are now operating in Randall County. A club is now available for about the boys and girls who wish to participate. If you are between the ages of nine and twenty one and wish to be a 4-H club member you may do so. It is not required that you be a rural resident since projects are now available for all youngsters.

with God's promise to the "Seed of Abraham?" Some may scoff and say this suggestion comes from the simple minded. If so, we're glad we still are simple minded enough to believe it.

This week we are reprinting on this page an editorial we wrote the week the Korean truce was signed. Unfortunately, all our predictions about Red China and the Kremlin are coming to pass.

We're anxious to see what steps Governor-Elect John Connally will take to secure separate boards of regents for all state supported colleges when he takes office.

Undoubtedly, Dr. James P. Cornette, president of West Texas State College, will have little to say publicly on the matter.

The transition will take some time if it is accomplished.

We have been a proponent of the plan because it will give the area using West Texas State a greater voice in how the institution is to be operated.

Connally is committed to separate boards. The Texas Democratic Party is committed to separate boards. A pledge to working for separate boards was a part of the platform upon which Connally was elected governor. As a matter of fact the separate board plank was installed into the platform at the behest of Connally himself.

Letters To The Editor

Dear Editor:

It seems that in this day and age people have become too dependent on the government. Although they depend on the government; they don't take interest in it.

Communism is a great threat within our country as well as without. We, as Americans, overlook this threat with the illusion that, "It won't happen to us, this is America!" It not only is happening to us but has been happening for several years.

We, as young Americans, feel it is our duty to take an active part in our government. But many have been shirking this duty, and are quick to judge those who take an active part, without sufficient facts.

Concern has been growing throughout America by various individuals and organizations about this threat. But these groups have been banned by prejudiced individuals and ignorance, who call such groups, "anti-American and radical," without personal knowledge of the organizations.

We urge Americans to find out the truth about these organizations and then to judge them. Only through personal investigation can the real knowledge be found.

Bill Jarnagin
Doris Smith
Gary Fletcher
Jimmy Newton

Several months ago a little 12-year-old boy from Groves, Texas, fell down a 500-foot slide. Taken to an Amarillo hospital, Jimmy Adams lingered on the critical list for almost two months. When an ambulance flew him from Amarillo to be nearer home, he was still unconscious. Doctors held little hope for him and believed he would live only as a vegetable if he survived at all.

Jimmy fooled us. After remaining unconscious 65 days, he recovered enough to sit in a wheel chair. Although he is paralyzed from the waist down, he is no longer near death.

Jimmy's next-door neighbor tells me that the boy was an avid sportsman before the accident. He enjoyed hunting, trapping, and especially a collection of various knives. (See LETTERS, Page 3)

By Jim Thomas

Prairie Wildlife

The big action next week is going to be on quail. The season in the Panhandle opens at dawn Dec. 1. Judging by the numbers of people we have talked to who are going out, there will be quite a run on the sporty little speedster.

To answer many questions to this column about the quail crop for the Panhandle, we find that it will likely be spotty at best. In places, the numbers of quail seem to be high. In other locations, nary a bird is in sight.

As we said last week, some of the causes of the apparently low quail crop are laid to pin worm infestations and spotty rainfall last summer. The Texas Game and Fish Commission has a game biologist stationed at Canadian to study this problem. We hope to have some official information from that area soon.

At last report from the regional office of the TGFC in Amarillo, there will be no changes in the bag limits or possession limits for quail hunters in the Panhandle. It remains at 12 birds per hunter per day and 36 birds in possession. This report was as of 3 p.m. Monday (Nov. 26).

Among the eager beavers is Farmer Brown. He got to itching for some quail hunting so he took off for Olustee, Oklahoma, where the quail season opens ten days before the Texas season. Calling around the town Monday, we failed to turn him up, so we assume that he is still up with the Oakes. We'll get a report next week.

Calling around the town Monday, scratching for news, we talked with Dr. Jim Russell who is an ardent sportsman and quail hunter. He says he just naturally prefers bird hunting, saying there is no sport, in his opinion, that approaches that of hunting with a good bird dog in good bird territory. He added that a bird hunter really has to work at it nowadays to have any success.

Dr. Russell said his favorite hunting country is off the caprock in the Wellinton, Childress and Matador curve. He said that country is the best kind of bird hunting a man could want. He added that the trouble comes in finding a place where you can get permission to hunt. Dr. Russell said he is unhappy with the trend to lease hunting rights in the Panhandle. From the old school, he said it doesn't set well with him to pay for hunting. We can't say that we disagree, but we guess there are several sides to the problem.

Another quail enthusiast we ran into was Frank Morgan. He told us that he was worried about the quail crop this year. He told us about a letter he received from a friend down country who has been keeping a sharp eye on the quail populations in his neck of the woods. The friend said he didn't think the quail would be too good down that way.

Just watch. Some of the old boys around will go quail hunting away off in some back cow pasture and come home with their limits. "That PRAIRIE WILDLIFE feller doesn't know what he's talking about! The quail hunting was fine."

Others will go to their favorite hunting grounds where they ALWAYS got their limits-

and come home empty handed. As we said, the quail hunting may be spotty. Hunting may be as good as ever in one place and a few miles away it won't pay for the powder burned--seldom does for us!

Pheasants-again It seems that when L. J. Witkowski goes pheasant hunting, he usually comes home with the birds. Witkowski and Dr. Paige Carruth got back from Nebraska last weekend. They really did well. Dr. Carruth said Nebraska was perfect. He said there was an awful lot of cover, giving the pheasants a decided advantage over the hunters--not too much trouble, because the two brought back 24 pheasant cocks. That represents plenty of good eating.

Dr. Carruth told us that he considers hunting in Nebraska to be an economical sport. He said their hotel rooms cost from \$1.50 to \$2.00 per day each and meals were \$1.00 each. He said the hotels were old but very clean and comfortable. At those prices who could ask for more on a hunting trip?

He also said they had no trouble in getting permission to hunt. "The weather was perfect and the people were very friendly," he said.

Ducks Not that we know of anyone going duck hunting since the season doesn't open until December 6th--but we do want to keep the hunters posted on developments locally.

Bob Brown, manager of the Buffalo Lake Wildlife Refuge west of us, passes along the information that the ducks are really coming in. The last cold front that hit Canyon about Saturday and Sunday, (November 17th and 18th) pushed the quackers out of the Canadian and north central United States and down into this part of the country.

Ducks are way up and geese are coming in too. Brown reports that there are better than 90,000 ducks on the refuge at the present time (November 29)--most of these are mallards--about 55% in fact.

The rest are made up of 35% pintails, 5% widgeons and a few greenwing teal. Brown points out that redheads and canvasbacks are going according to predictions--they are very few in number. Brown also said that the geese are coming in. There are about 800 in now.

At the risk of our being labeled game regulation happy, we want to again emphasize that redheads and canvasbacks are very scarce and are on the fully protected list for migratory waterfowl. Please don't shoot them!

At any rate, hunting for migratory waterfowl should come close to being good. Quite a few geese are falling to the early hunters from the reports we get.

We heard one report, (second hand), that two hunters from Amarillo saw about two hundred geese light in a maize field southwest of that town, and crawled up on them through the wire and brambles. They got their limit, according to the report, though we were not able to contact the hunters for a verification. Sounds good though.

Deer Although the deer season op-

LETTERS. . .

(Continued From Page 2)

Now that he can't walk and must stay in bed most of the day, his friends have helped him compile a collection of knives by his bed.

His neighbor asked me to pass along the word that Jimmy would derive much pleasure out of any hunting, army, or other interesting knives we might no longer need. These would help to keep him busy sorting, labeling, and telling his visitors where he got them. Knives seem very unimportant to most of us, but apparently they mean a great deal to this little guy.

This is a small request for a small boy we don't even know. But his life was nearly snuffed out in our own back yard. He has fought a very courageous battle to stay with us. Even if your readers do not have a knife to send Jimmy, I know he would appreciate a get-well card or any word of encouragement. His address is:

Jimmy Adams
6383 Madison Street
Groves, Texas

I have never heard of more courage being shown by any other boy in my life. He will not give up. Neither should we in the Panhandle give up remembering Jimmy in our prayers.

Sincerely,
Gene Autry Bitner
Box 502
Canyon, Texas

Mr. and Mrs. Clifford Abbott and daughter Seleta, went to Duncan, Oklahoma over the week end to attend the Harper family reunion (Mrs. Abbott's family).

ened in Texas last November 16, we haven't heard much about local hunters going after them. L. J. Witkowski tells us that he spoke with a man from Kress who went down to the Kerrville deer country over the Thanksgiving holidays but didn't get to do any serious hunting because it rained all the time he was there.

Known as the Edwards Plateau, the country west of Austin to about Junction, north to about Brady and Lampasas and south to Uvalde and San Antonio is one of the most fascinating pieces of ground in which to hunt that we have ever been on.

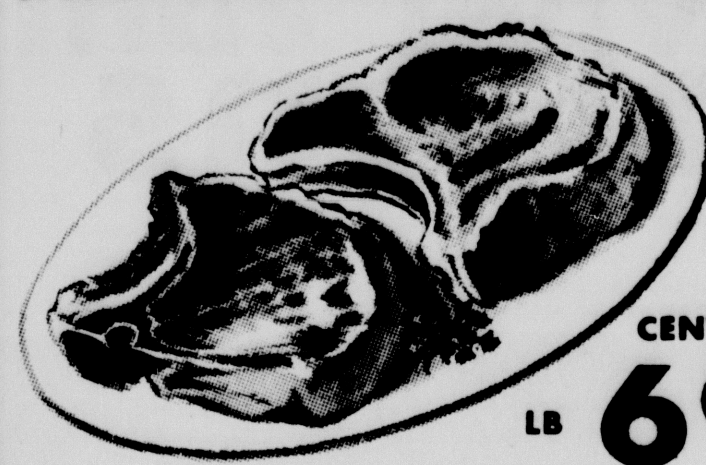

Broken hills, springs and crystal clear creeks, heavy brush and outcroppings of huge granite and limestone hills--makes this country a deer hunter's paradise--if he is a good hunter. In the thick brush the small, elusive deer in that neck of the woods makes a difficult target.

Though small, the central Texas deer are plenty good--both for eating and for sporty type hunting. We plan to sample some of both about Christmas time.

Since next Saturday (Dec. 1) is the start of quail season in the Panhandle, we will try to put forth with the information on who went and what success. We will also try to give some substantial information on where the quail are and what shape they are in.

We will also try to give a report on how Dr. Busted's Britany spaniels did at the National Britany Dog Trials in Carbondale, Ill. Dr. Busted has been winning nation competitions pretty regularly with his bird dogs.

Canyon Couple Finds Traveling Interesting

BY GLENN WILSON

Aladdin and his magic lamp had absolutely nothing on Mr. and Mrs. H. E. Campfield and their life-time passes with the Atchison, Topeka, & Santa Fe Railway System.

In fact, the Chief No. 1 might have a few advantages over Aladdin's carpet, in that it provides room and free transportation for children up to five years, which is affording joyous excursions for the seven grandchildren of the Campfields.

The retired depot agent and his wife agree that their greatest joy of traveling is derived from the trips on which they take along a grandchild. Just such a trip is now being planned for little Kevin whose fifth birthday will be in June.

"We like to wait till just before their fifth birthday, so they may remember the thrill of that first train ride," explain the Campfields.

All this explains why granddaughter, Cathy, didn't get very excited over a recent train trip planned for her grade in school which extended from Memphis to the neighboring town of Childress. After all, Cathy's first train trip took her to Santa

Claus Village, south of San Francisco. Then back to the beach to dip her feet in the ocean. Cathy does delight, however, in telling how she and her grandmother were so comfortably seated "high up in the dome car" where they could see "the dimpling river pass and be the sky's blue looking glass", when suddenly, a porter appeared and announced, "A man on this train has lost his teeth..." and turning to Cathy's grandmother he concluded, "...and, Lady, I think he is your husband."

Although Mrs. Campfield had felt her husband should be returning from the wash room she had been reluctant to leave their choice seats and look for him, not knowing the frantic man had let his dentures slip down the drain in the compact room of the train.

It was sometime before it was explained to Mr. Campfield that a wire screen was attached to the bottom of the train. A conductor had, during all the anxiety, remarked: "Why man, you're lucky, more than one diamond ring has gone down that drain."

Since my retirement in April 1960, we have traveled through about half the states in the union, and we mean to keep on traveling," stated Mr. Campfield, who served as depot agent for his railway system for forty eight years. Twenty-two years were served in Canyon where the couple make their home at 1005 5th Ave.

Being quite a ball fan, he has traveled by train to Boston and Kansas City, six or eight times during the past three summers.

He and his wife attended a major league game between the White Sox and Boston in Chicago a year ago last Sept.

During one year since his retirement, the Campfields made 4 trips to visit their daughter in Richmond Calif. Although surgery slowed Mrs. Campfield down in Feb., her last trip was in Aug. to her sister's home in Riverside, Calif.

"Maybe it is because of the historical setting, but we agree our most picturesque trip has been up through the northern states to New York, Pennsylvania and Washington D.C. We especially enjoyed Mr. Vernon, old Philadelphia, where we visited the church, and sat in the same pew where George Washington sat...The changing of the guards at Arlington... Betsy Ross's home, and the beautiful Potomac river."

As most women would, Mrs. Campfield enjoys the good food served in the diner. "The atmosphere there is wonderful," she declares. "We don't always have first class enjoyment."

When Mrs. Campfield learned that her daughter and new baby were boarding the train in Richmond Calif. to visit her parents, she caught the Chief No. 1, planning to catch her daughter's train at Stockton and ride back with her, to assist with the new baby...Knowing the train was running late, she asked the conductor about getting off at Empire, which is this

side of Stockton, so that she would be sure not to miss the Chief No. 2 going back to Canyon...Not knowing the arrangement, the conductor wondered for awhile just who was confused. Then there was the time when the train was traveling at an unusually fast rate of speed, as it rounded a curve near Vaughn, New Mex., and Mr. Campfield fell and broke a bone in his arm.

But the joys have been many aboard the trains of the Atchison, Topeka, & Santa Fe Railway System for this retired depot agent and his wife, and they look forward to little Kevin's first ride shortly after Christmas.... When Kevin will hear the big wheels under Chief No. 1 say "I thought I could...I thought I could," and he will know he's very close to Disney Land.

Mr. and Mrs. H. E. Campfield are shown sitting at a table, looking at a Santa Fe Railroad map. Campfield is a retired Santa Fe man. With this map they chart their many travels.

Synod Leader To Preach In Local Pulpit

The Reverend Prentice H. Barnett, director of christian education for the Synod of Texas, United Presbyterian Church, U. S. A., will be a pulpit guest at the 11 a.m. service at the First Presbyterian Church, Sunday.

Rev. Barnett, whose offices are in Fain Center, Denton, the Synod Headquarters, is widely known in Texas, as an educator and preacher. His appearance in Canyon is arranged by the Texas Presbyterian Foundation, a trust fund corporation.

The Advent Wreath, with its four candles, which will be lighted, with one added on each succeeding Sunday, (thus marking the Sundays of Advent), will be in place in the sanctuary on Sunday morning. The hymns and lessons will reflect the Advent season of the Christian Year.

Mr. and Mrs. Curley Myers and Mr. and Mrs. Potter Campbell returned last week from Corpus Christi and Flower Buff after spending two weeks fishing. The fishing was excellent.

Scholastic Awards Are Under Study

Board of Education of the Canyon Independent School District is studying a system for scholarship awards to Canyon High School students.

Awards consisting of an academic sweater and school letter, similar to those awarded high school athletes, are proposed to encourage outstanding achievement in all high school subjects.

To be eligible for the academic sweater award, students must have been enrolled in at least four solid courses such as the sciences, English, etc., and one non-solid course such as music and physical education or five solid courses during both school semesters.

The student must also have achieved a 93% scholastic average for the year and must have spent at least a full academic year in Canyon High School.

The study recommends that students may win only one sweater, but that repeated scholastic achievement will be honored by presentation of a distinguishing symbol that may be attached and worn with the original sweater.

The study indicates that winners of the academic sweaters will receive them in September for the prior school year. Senior winners will be announced for the year just ended at the honors portion of the May graduation exercises.

Favorite Professor Is Named

Dr. Ima Barlow, professor of history and a member of the faculty since 1930, was chosen "Favorite Professor" at West Texas State College Tuesday by members of the Baptist Student Union.

Dr. Barlow was honored at the "Favorite Professor" breakfast at the Baptist Student Center, and runners-up in Baptist student balloting were two former winners, Dr. Lowell H. Harrison, professor of history, and Robert C. Burton, assistant professor of geology.

Speaker for the breakfast was Bill Krisher, professional football player with the Dallas Texans and a member of the Fellowship of Christian Athletes. Krisher talked on "The Need for Christian Conviction."

Dr. Barlow holds the B.A., M. A., and Ph. D. degrees from the University of Texas. She taught in high schools in San Saba, Vernon, Beaumont, and Brownwood before joining the WT faculty. She has been chairman of the Student Honors Committee for many years.

Tom Sawyer To Stage Thursday

"Tom Sawyer," a three act operetta, will be presented Thursday night by the seventh grade chorus of the Canyon Elementary School. The operetta will be held in the auditorium of the junior high.

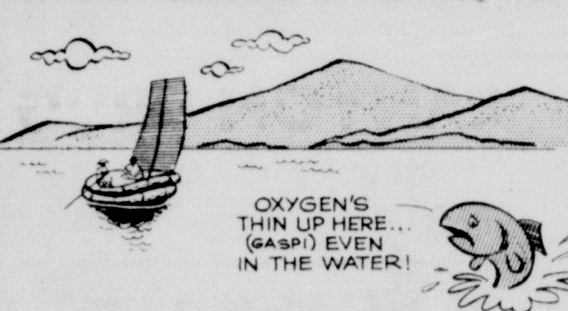

Directed by Gene Murray, director of music at the junior high and at Canyon High School, the operetta will be performed at 8 p.m. for the general public.

Admissions tickets will be sold at the door. Tickets are 50¢ for adults and 25¢ for students.

Private Charles R. Nester (center), son of Dr. and Mrs. Charles R. Nester, Canyon, was named "Outstanding Trainee" of the Basic Combat Training cycle which finished its eight-week training period recently at Fort Polk, LA. Brigadier General John M. Finn (left), Deputy Post Commander, presented the young soldier the Fort Polk Certificate of Achievement during the ceremony as his Company Commander, First Lieutenant Jerry Foust, (second from left) and his Platoon Sergeant, Sergeant Charles D. Graham, looked on. Private Nester trained here as a member of Company G, 2nd Training Regiment. (OFFICIAL U.S. ARMY PHOTO)

New 4-H Club Is Formed

Wagon Wheel 4-H Club was organized recently at a meeting held in the Junior Livestock Building here.

Adult leaders are Alfred Bednorz and Mrs. Leroy Boehning.

Roger Gist was named president of the club. Other officers named include Glenn Lewis, vice-president; Dick Cummins, secretary-treasurer; and Kathy Gist, reporter.

Other members include Betty Pryors, Mary Cummins, Jo Johnston, Nicola Johnston, Alfred Bednorz, Eddie Hinders, Jerry Crain, Keith Wise, Michael Hinders, Sharon Hinders, Debbie Gordon, Martha Sykes, Jerelyn Wise, Sheri Henry, Judy Sykes, William Lewis, Judy Boehning and Mary Ann Boehning.

Miss Sally Fields, home demonstration agent, and John Brazzil, county agent, as well as several parents of club members attended the meeting.

HAPPY BIRTHDAY

November 29: Lynn Paul, Mark Foster, Charles Ford and Mrs. J. J. Cosner, Jr.

November 30: A. B. Holt, Mrs. Clyde Davis, Mrs. Lula Collins, Mrs. Ethel Dooley, Joe Frank, Alice Aragon, Mrs. Frank Humphrey, John Brandt, Mrs. B. B. Bullard, Mrs. W. M. Slagle, Mrs. E. L. Braddock, and Bobby Mickey.

December 1: Tom Gerald, Loyd Brooks, A. A. Millan, Mrs. Tom H. Knighton, Mrs. W. C. Black, Mitt Fox, and Clifford Leroy Boehning.

December 2: Blake Zachry, Mrs. Hudson Prichard, Jr., Thomas William Dage, and Janice Prichard.

December 3: Carrol Ray Dickerson, Mrs. John Guthrie, Mrs. W. H. Upchurch, Mrs. W. H. McAtee, Troy Wayne Sharpes, Mrs. Jimmy Brasher and James Hodges.

December 4: Elmer Hartman, Frank Patterson, Gene Peppard and Max Pius Hoffman.

December 5: Mrs. Irene Ball, Dr. E. J. Cundiff, Weta Cecile Hanks, Deanna Lois Stocker, Shirley Irbeek, and Charles E. Wright.

Lion Zone Meeting Is Held Here

Canyon Lions were hosts to a Lions Club zone meeting Tuesday night.

The club board held a regular meeting Monday night. Al Carr, zone chairman, and Mrs. Carr were special guests of the club at last week's meeting. Carr lives in Amarillo.

Shirley Terry, West Texas State College student, was given a charm on behalf of the Eunice, N. M., Lions Club where she was club sweetheart last year.

Gift Wrap Course Set Here Friday

Mrs. A. C. Morris of Amarillo will offer a gift wrapping workshop Friday afternoon at 3:30 p.m. in the Randall County Junior Livestock Building.

CHS Students Selected On Region Choir

All-Region Choir Awards were given to four Canyon High School students recently at the All-Regional and All-State Choir Tryouts held at the Fine Arts Building at West Texas State College.

CHS winners were Mary Ann Wheelock, first soprano; Nancy Davis, second soprano; Bob Haggard, second tenor; and Wam Moore, first base.

Region Choir Performance Is Scheduled

All Region Choir performance will be held January 26 in the Fine Arts Building at West Texas State College in Canyon.

The 64 voice choir will be made up of the best voices from each high school choir in this region.

Haggard and Moore were also awarded alternate positions in the All-State competitions.

Gene Murray, Director of the CHS and Canyon Junior High School choirs, said the alternate position awards will give the boys a better chance for winning full places in All-State competitions at next year's choir tryouts. This would enable the boys to go to Houston to sing in the All State Choir made up of the best high school choir singers from all the regions in Texas.

The Clyde Miller family went to Plainview Saturday on business. Their son, Michael, returned home Tuesday from Fort Ord, California, where he had been stationed with the National Guard since July.

Mr. and Mrs. C. J. Stall spent Thanksgiving with their son Joe and his family in Tulsa, Oklahoma.

One combine unloads its milo as another cuts on the Henry F. Miller farm east of Canyon. The milo crop was planted and is being harvested by T. L. Knox of Canyon. Combine operators are G. H. Leseberg in the rear and Leroy Bauer unloading.

Higdon Gives Pointers On Christmas Mailings

Mail early for Christmas! Postmaster Marion Higdon said, "Right now is the time to start your Christmas cards and gifts on their way to the post office." Postmaster Marion Higdon said this week, "Christmas is slightly less than a month away by the calendar, but here in the post office, it will be Christmas every day from now on." He added.

The Postmaster went on to say that by getting into action now, a lot of mailing headaches can be avoided when the Christmas rush begins.

Higdon said Christmas mailers shouldn't take chances on mailing poorly wrapped packages. He advised using heavy cardboard mailing cartons, heavy paper adhesive tape and strong string or cord. He added that packages containing several gift packages should be stuffed with tissue or old newspapers to cushion the contents.

Higdon warned that if you have articles of unusual size or bulk, you had better check with the Post Office before attempting to mail them. He said the Post Office limits on size and weight of packages varies.

As an extra protection, it's always a good idea to place an extra label with your return address and the address of the person to whom the package is being mailed on the inside of the package. Higdon reported, "Be sure to send your Christmas cards by first-class mail, using the attractive new 4¢ stamps." He said, "When sent first-class, your cards will get there quicker, and they'll be forwarded or returned, if it becomes necessary. Also, cards sent first-class may include written messages along with your signature." "It is also important to include your return address on every Christmas card envelope. Besides being socially correct, this is a big help to both you and your friends in keeping your mailing lists up to date."

He adds that before mailing Christmas cards, be certain to secure from the Post Office, free labels which read "ALL FOR LOCAL DELIVERY" and "ALL FOR OUT OF TOWN DELIVERY", so that cards can

be sorted into two bundles, with the address all facing one way, thus expediting delivery.

He said he is making advance preparations to handle the 1962 Christmas mail rush by hiring extra mail clerks, carriers and by expanding all post office facilities.

Higdon suggests that Christmas cards and gifts for the most distant destinations should be

mailed first, preferably well before December 10. He said Christmas mail intended for nearby points should be mailed by December 15.

Historic Ranch House May Be Restored

BY JIM THOMAS

Historic old T-Anchor Ranch house, north of Canyon may be restored to its original condition by the Block and Bridle Club of West Texas State College. The house is located on what is now a part of the college farm.

The club appointed a committee last Tuesday at their regular bi-monthly meeting to study what would be needed to restore the 84 year old ranch headquarters.

The T-Anchor Ranch house, according to records at the Panhandle Plains Museum in Canyon, is the oldest ranch house headquarters and is also the first log house in the Panhandle. It was built in 1878 by Leigh Dyer, brother-in-law to Charles Goodnight of JA Ranch fame. Dyer hauled the logs for the house by team and wagon from the canyons

of Fal de Hour, according to information at the museum. The ranch house is also considered the second house to be erected

in the north thirty six counties of the Texas Panhandle.

The ranch house got its name when the land on which it was

built was bought by the Cedar Valley Land and Cattle Company, better known as the T-Anchor.

They were an English concern which a Major Ewing had established in London, England, in 1884. The T-Anchor's main

headquarters was in Kansas City.

By 1889, the T-Anchor Ranch operations owned or leased practically all of the east half of Randall County, running about

25,000 head of cattle on some 300,000 acres. The ranch also ran 325 head of cow ponies.

In addition to its serving as ranch headquarters for one of the largest and most famous

Texas ranches, the T-Anchor Ranch house also played a historic part in the politics of Randall County. It was the first office of the first Randall County Justice of the Peace.

J. W. Turner, cook for the T-Anchor headquarters was elected to that office when the county was first formed in 1889. The T-Anchor Ranch was dissolved about 1895, according to records at the Panhandle Plains Museum. The drought of 1885 and the multitude of homesteaders in Randall County proved too much for large scale ranching.

This is the T-Anchor Ranch house, the first ranch headquarters and the oldest log house in the Panhandle. It was built in 1878 by Leigh Dyer, brother-in-law of Charles

Goodnight, early ranching pioneer in Texas. (Photo by Jim Thomas)

North Randall News

Mr. and Mrs. L. W. Moulton and family were guests in the home of Mr. and Mrs. J. E. Blackwell in Lubbock, recently.

Mr. and Mrs. Charlie Robinson and family visited relatives in Quail here awhile

back. Charlie's sister and her family, the Claude Jetts had recently returned from Germany where Mr. Jetts had been stationed with the Army.

Construction is underway on

Farm-to-Market #2394 east-north-east of Canyon. This is an extension of Pullman Road and an area that has needed pavement very badly. The neighbors in this area are quite anxious over the future completion of this construction.

Mr. and Mrs. Ted Walker and family visited with Mrs. Walker's brother, Jack Blower in Dumas during the Thanksgiving Holidays.

As an average, the maize crops have turned out fair this year. However, all the crops have not been harvested yet. Not having moisture at the right time cut the yield to some extent.

Guests in the Charlie Robinson home for Thanksgiving Dinner were Mr. Robinson's parents, Mr. and Mrs. A. L. Robinson of Quail, Texas.

Convalescing at home is Charles Holcomb after having surgery November 14.

Guy Bufkin's deep freeze is bulging with venison after his trip to Dallas last week.

A new 4-H group is being formed in this area. Mrs. Annabelle Detten will be the leader for the girls. Miss Sally Ann Fields, County Home Demonstration Agent is to meet with them Monday for their first meeting.

Meetings are scheduled for the last Monday of each month at 5:00 p.m.

We would like to extend sympathy to the Tom Combs family. Mrs. Combs succumbed last Friday and burial was held the following Monday. She is survived by her husband and a daughter, Joy, 9 years old, a son Tommy, 7 years old, and her parents Mr. and Mrs. Floyd Thomas.

Visitors in the Bill Harp home over the Thanksgiving Holidays were Mr. and Mrs. V. A. Shelton and children from Dallas, Texas. Mrs. Shelton is the sister of Mrs. Harp.

Mr. and Mrs. Robert Detten had Thanksgiving dinner Sunday, the 18th. Families present

were the Bob Dettens, Tom Dettens, Roy Dettens, and Joe Dettens. Though the weather kept the eleven grandchildren inside, everyone had a delightful time!

Happy Birthday!

Theresa Knight - November 2nd - 10 years old.

Mr. Charlie Robinson - November 10th.

Donna Kay Smith - November 17th - 10 years old.

Beth Kerr - November 25th 10 years old.

Mrs. Bill Harp - November 29th.

The Canyon News wants your news. Telephone OL5-2141, or stop by the News office.

By Jamie Martin

AROUND THE TOWN

(with kids)

Randy Lyles went to the Jo-Zach Byrd farm Saturday.

Shanon Hare had a hoboparty on her birthday Friday afternoon.

Bob Lindsey had a birthday party Saturday morning. He was 5 years old.

Tammy Martin had a birthday party Saturday afternoon to celebrate her 3rd birthday.

Here is a poem that Kaysee

Martin, 7 years old, wrote.

I like to play, and to run And nothing else is quite such fun.

When I'm at school, I get to play there I get to play 'most everywhere. But when the day has ended all

Asleep I have to fall.

RIDDLE

Why is a piece of candy like a running horse?

Answer to last week's riddle: Pennsylvania (Pa.)

Apartment Is Nearing Completion

Canyon's newest apartment addition, the Chateau Villa on 28th Street, is well on its way to completion says Karl Hanson of KAM Construction Company of Amarillo, the builders.

Hansen said the apartments now have their walls completed with the roof on and the inside partitions nearly finished. The apartments are constructed in a large U shape facing the west with a large parking area in front.

The 16 unit apartment building is scheduled for completion by January 15th. Constructed of a brick veneer with shingle roof, each apartment will have one bedroom, a living room and a separate kitchen and dining area. The kitchen will feature built-in appliance including gas stove and oven and electric refrigerator.

Including the tile baths, the apartments will have 520 square feet of living area according to Hansen. He said the apartments will be furnished.
